

De Derek Whitfield

Dearest Derek, I have really enjoyed meeting
you and then getting to know you in Math
this quarter. Even though you monopol-
ized all the questions in Math this
year (and are still flunking - just kidding)
I have still enjoyed your presence in front of
me for the past few weeks since you started
out at the front of the row and gradually
worked your way back. You have been great enter-
tainment and I am so sorry you're moving after
only one year and I won't get to see you next
^{year} year. Isn't it terrible when you meet a person
and then they leave or you leave and you
never see them again. I know you will like
Colony Square though (I don't know what that is
except a hotel). I know you will be successful
in life - you could get along just being a nice
guy! You are one of the nicest guys I have
ever met and I wish you happiness and love
ALWAYS. Have a nice summer - maybe I'll get
lucky and see you sometime. Love, Patti 5-23-78

Derek, (St. Holmes)
I'm so glad that we
got to be friends this
year. I'm sorry that you didn't
like this school that much. I hope
that we will keep in touch when you
move. You've really been a good friend;
and have helped me with problems, and, like
most everyone I know, actually LISTENED to me.
If there is any problem you've got EVER, please
call me, if there is nobody to help, or no-
body to talk to... really, I do mean it! I hope
that you will enjoy your school next year,
Be yourself, do what you feel is right, I
know, believe me, it very hard sometimes.
HAVE A GOOD SUMMER, DAMIT! Forever!
your friend
with love,
Amy Dinger

P.S. - the reason you called you
of Derek at Holmes in the Ted I hope that you
Nugent band. (whity group!) school! Please like your new

KEEP IN TOUCH

DON'T FORGET ME!

Heh! Master King,
 How are ya doing?
 I am so glad we
 meet at the beginning
 of the year! We really
 have had a great time.
 Especially when we talked on
 the phone for 2 1/2 hours one night -
 and when you came over etc...
 Derek, you will always be very special
 to me. Because for one, you are very nice,
 two, you have helped me considerably in
 everything (problems)! Thanks a lot.
 please keep in touch - 394-0339 -
 I hope you ~~had~~ haven't forgotten
 Love ya a lot!
 Love Always

Remember what's
 said about being
 yourself. You
 don't have to play football, and
 you also don't have to buy a
 black car with red stripes on
 the sides! And take care!

WHERE'D THE SUMMER GO?

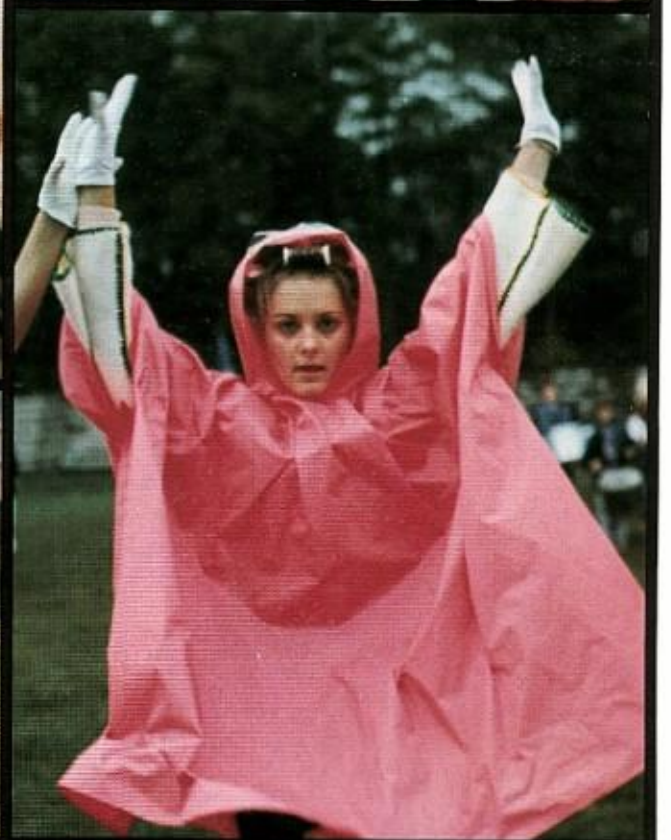

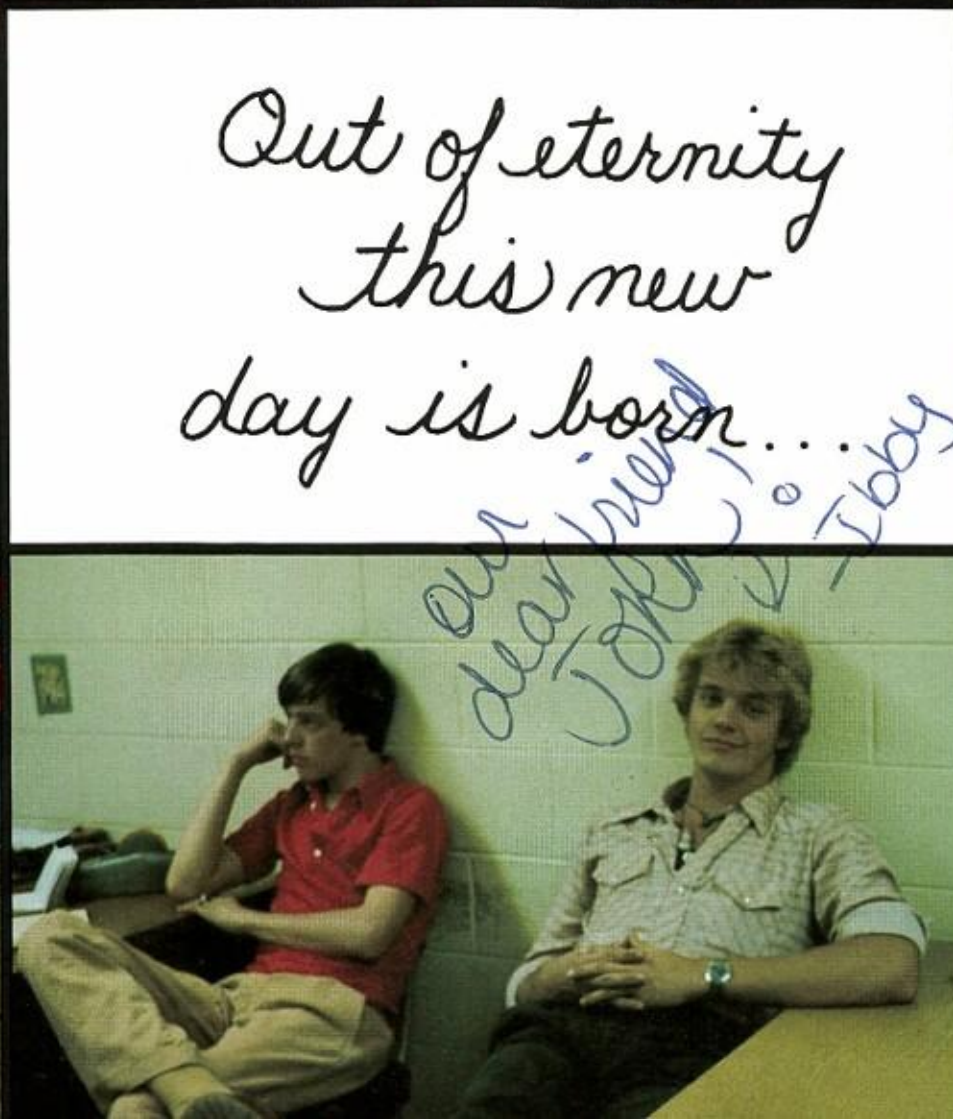

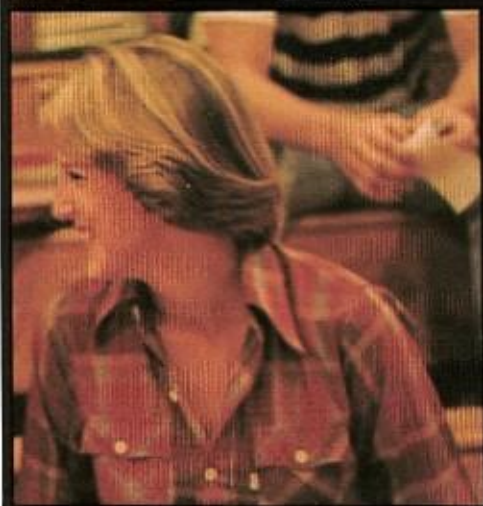

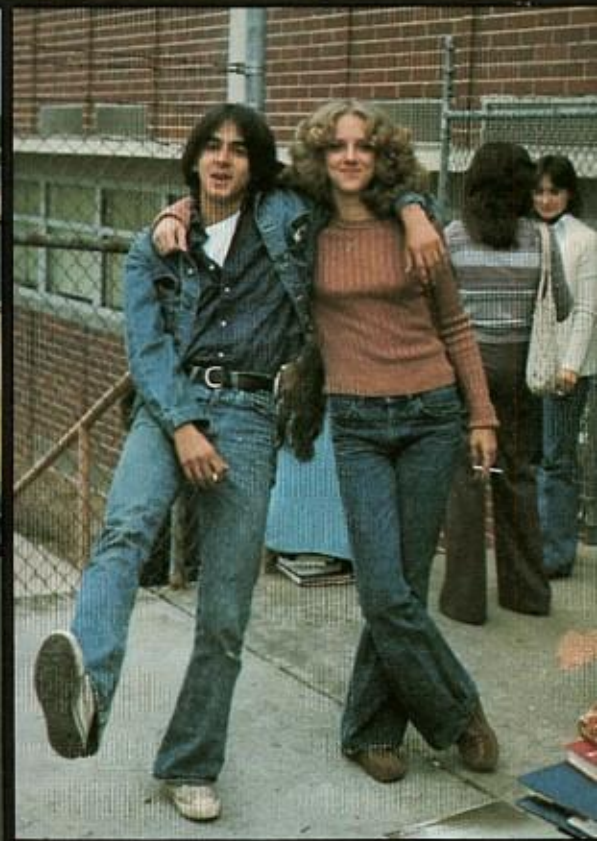

Year after exciting (?) year at N. Springs, the actions of the super Spartans are ALWAYS the same. Seniors run through the halls yelling, "No more REGISTRATIONS!", while the Juniors "check out" the cute new teacher. The Sophomores busy themselves by selling pep-rally passes to the 8TH graders, as our Freshmen and new "subs" STILL ask if they're vaccinated.

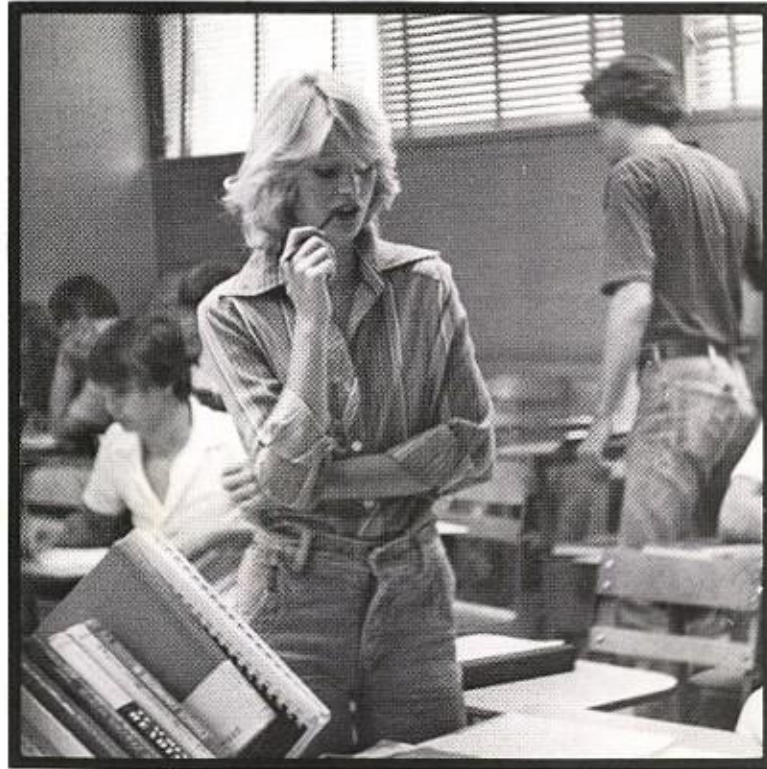

*The only preparation
for tomorrow is the
right use of today.*

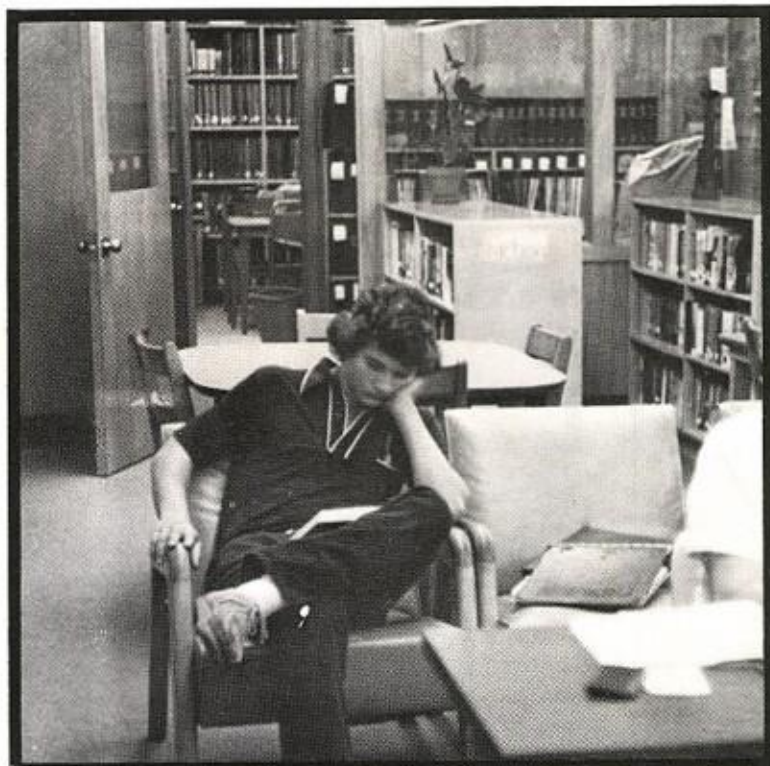

Out of eternity
this new
day is born...

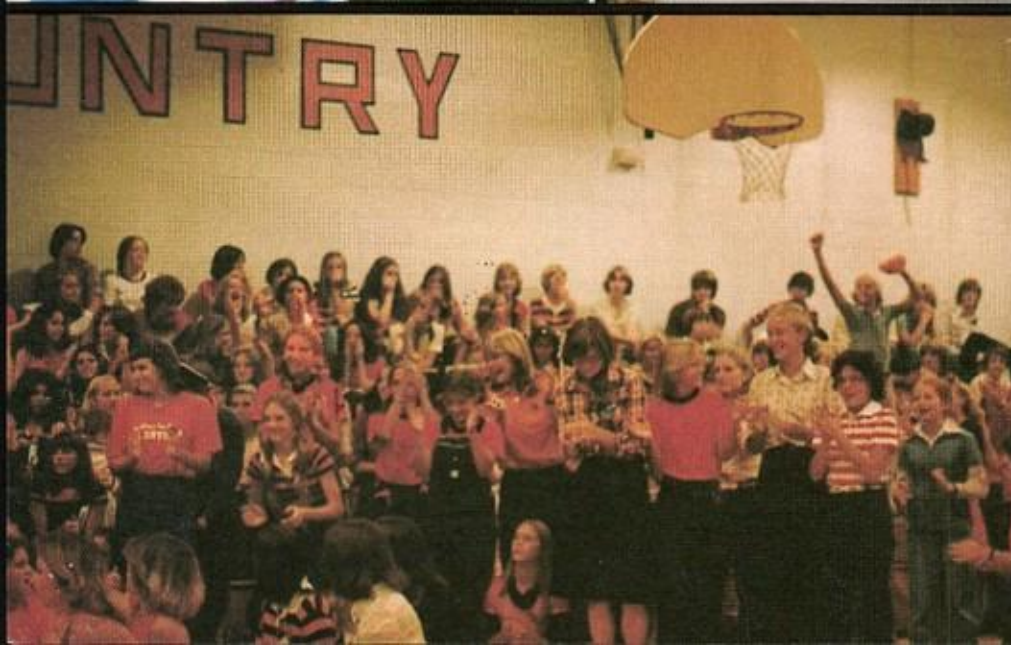

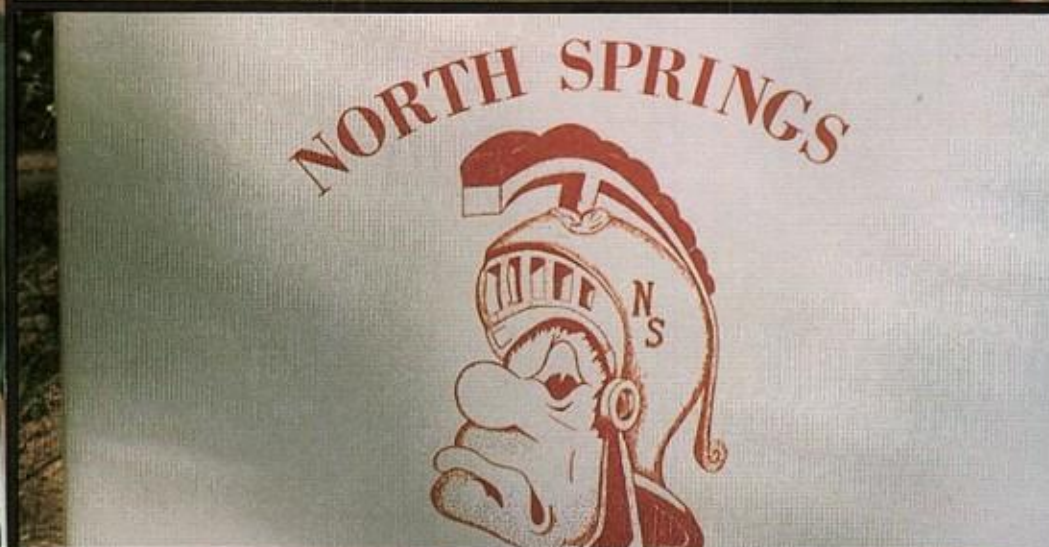

our friend
JOKER
Ibby

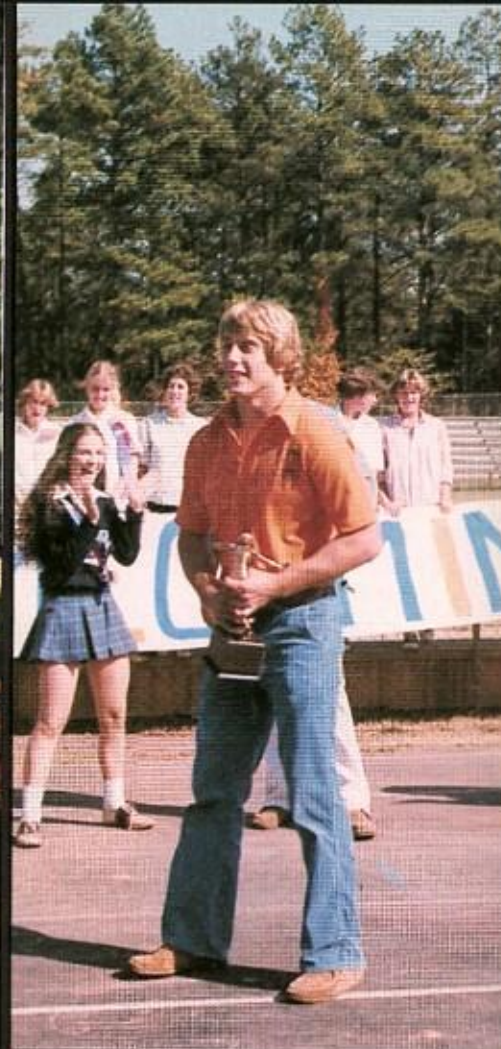

*All the flowers
of all the
tomorrows
are in the
seeds of today.*

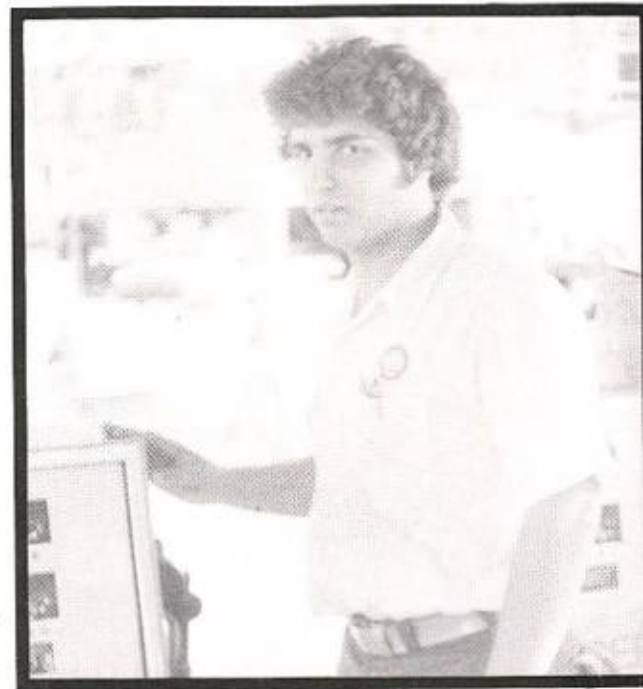

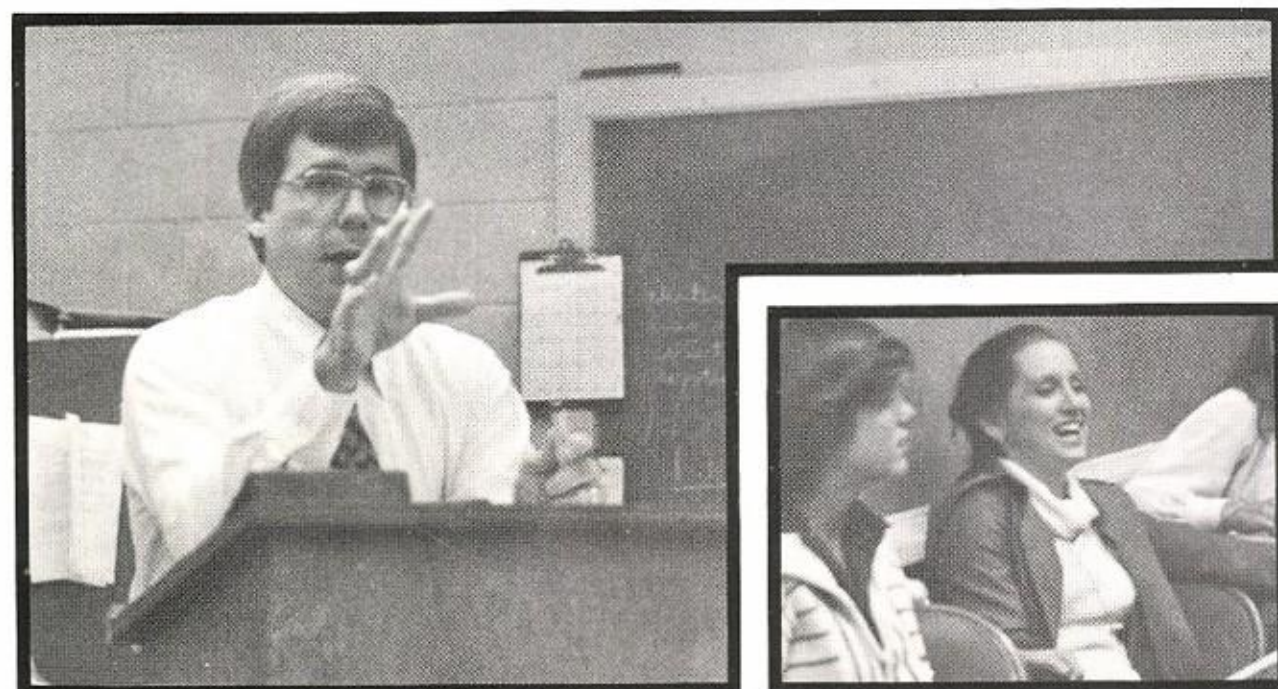

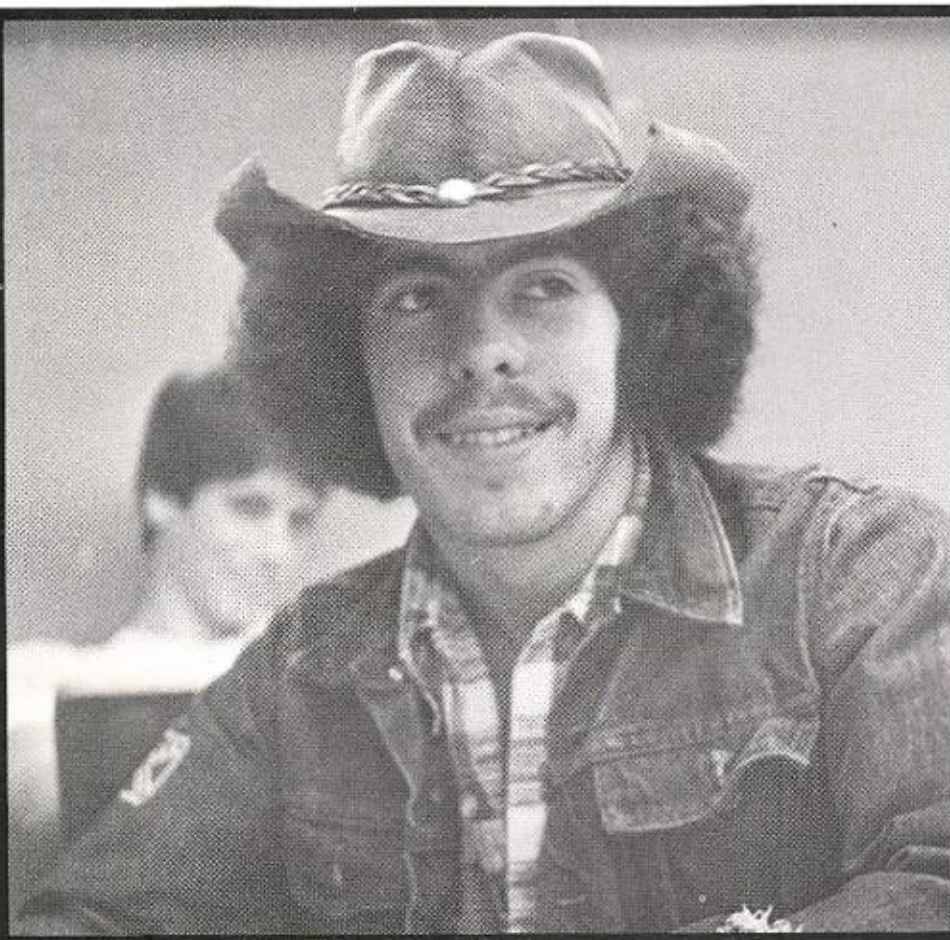

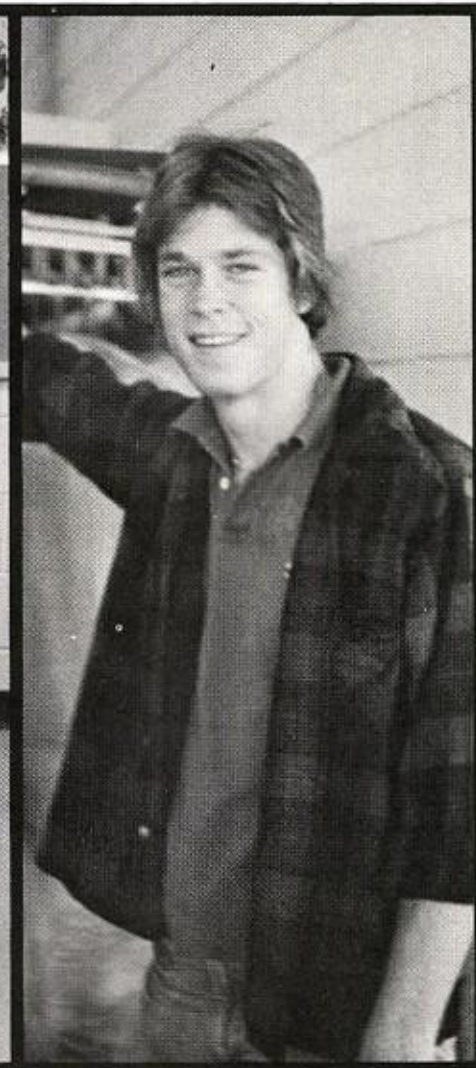

Life is either
a daring adventure
or nothing.

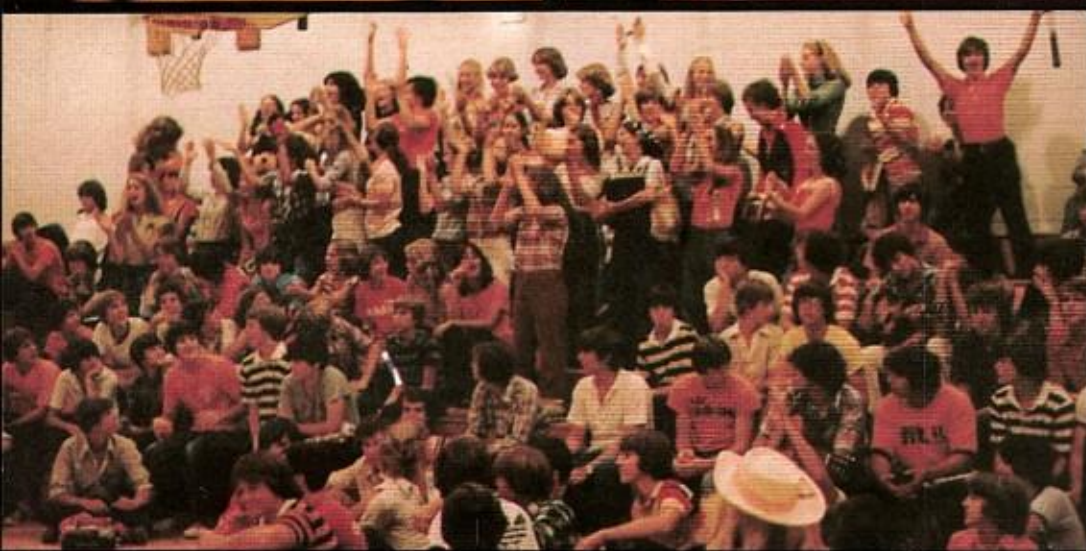

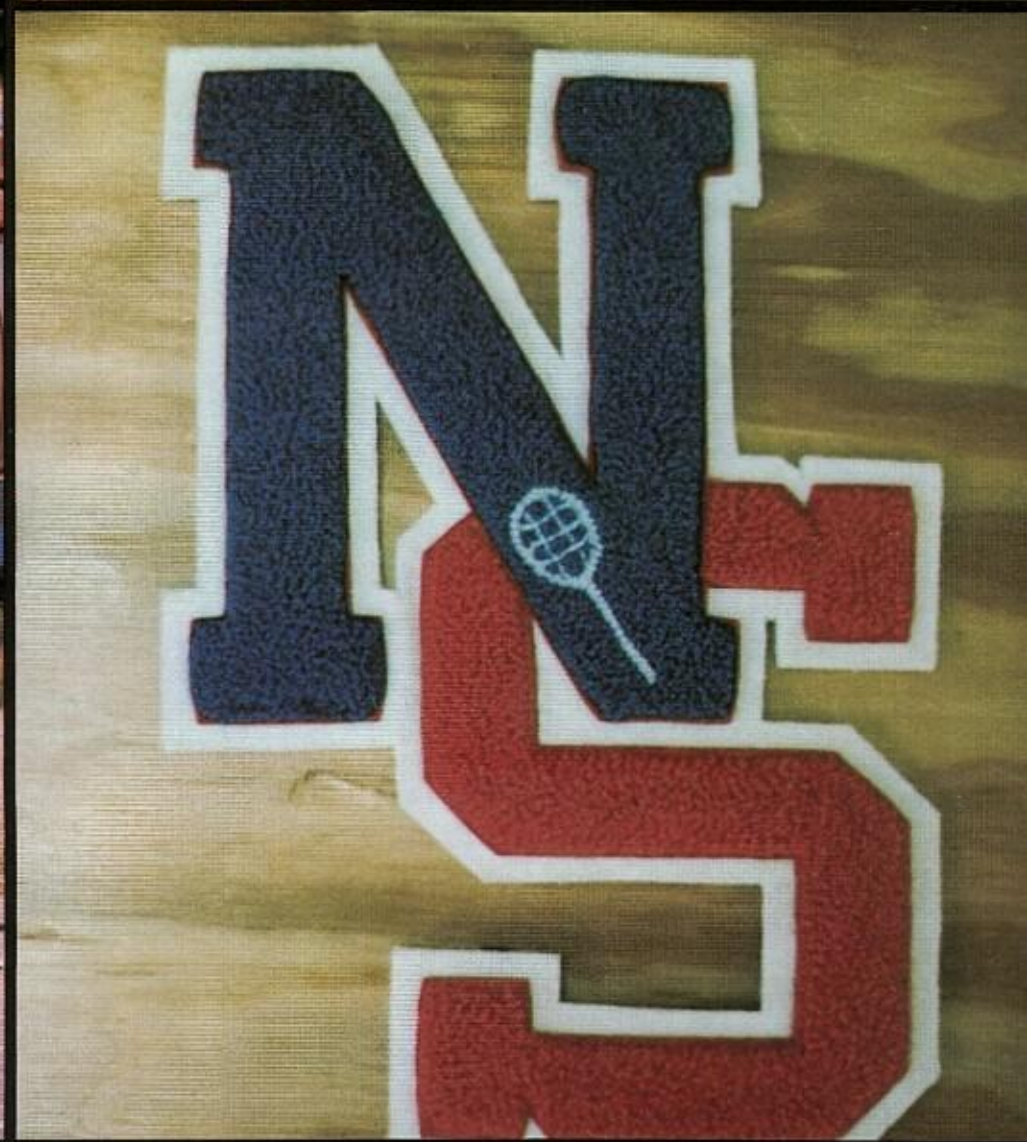

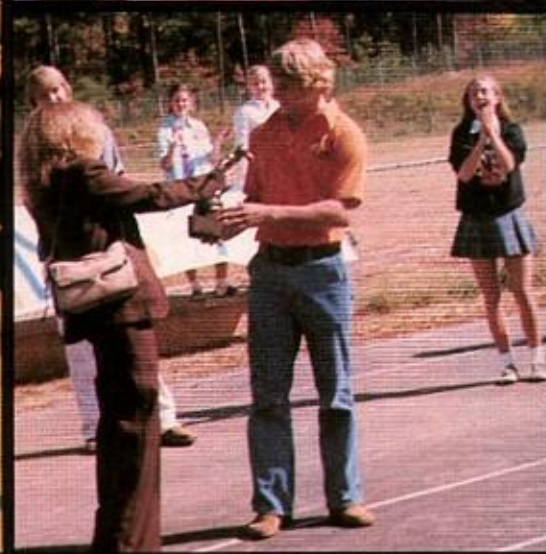

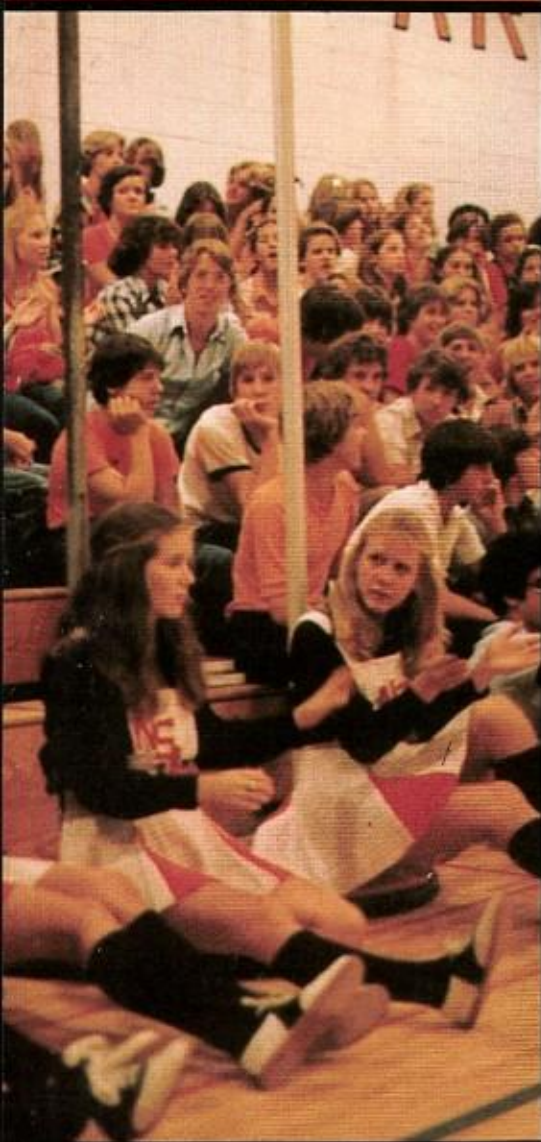

ON THE MOVE

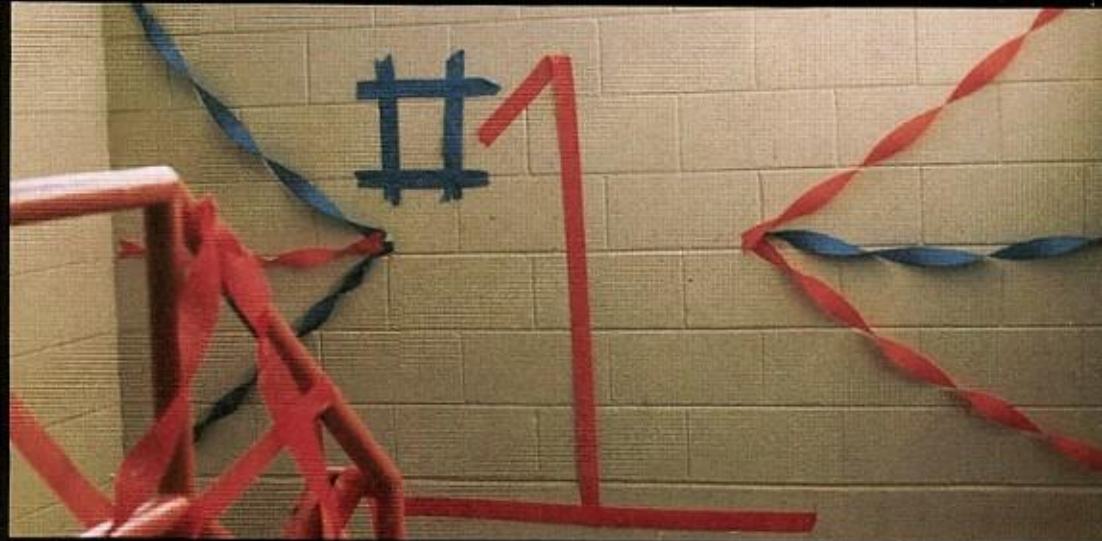

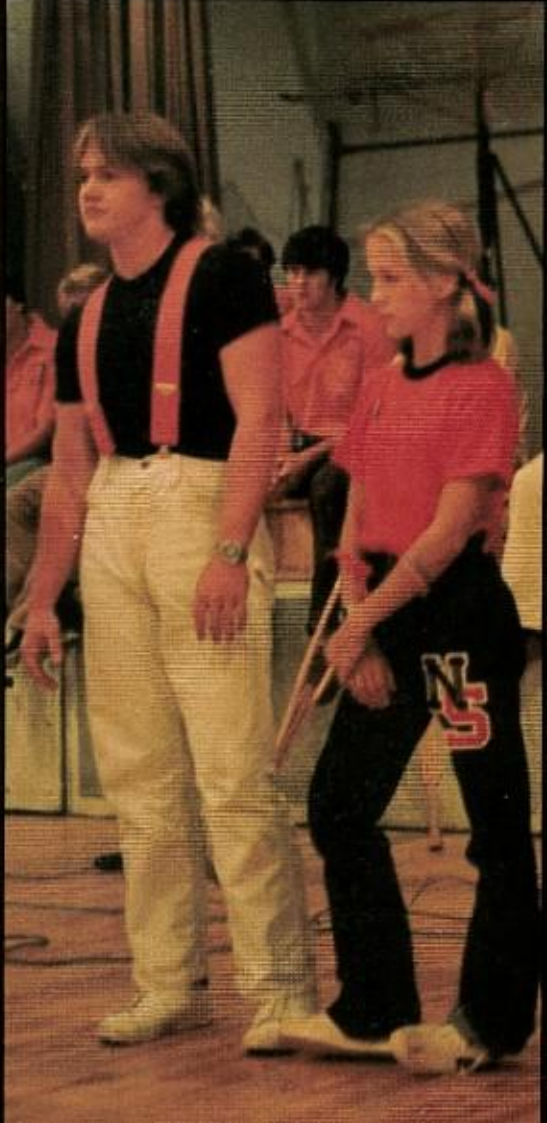

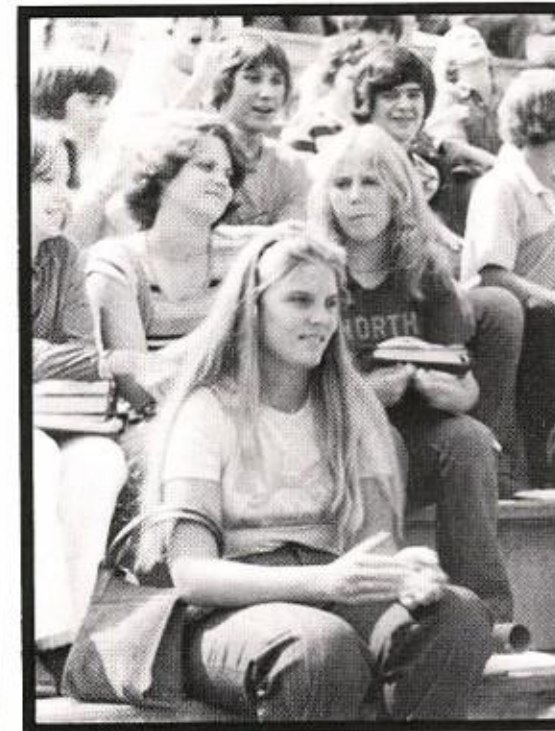

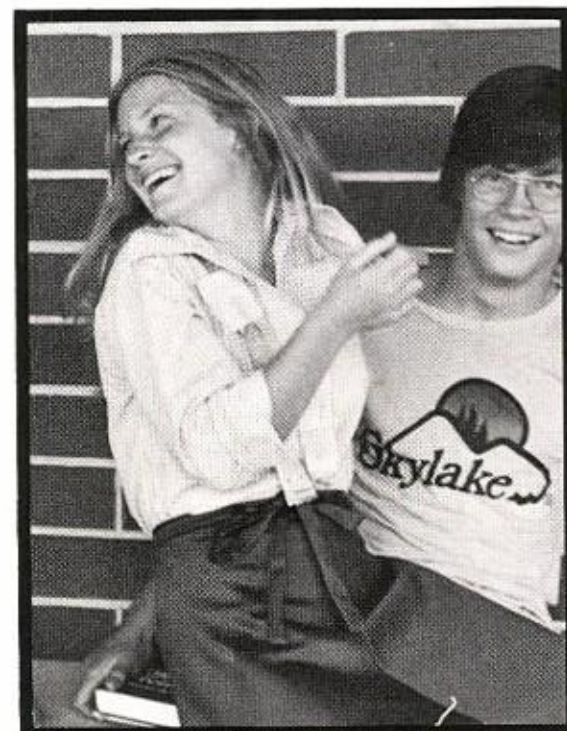

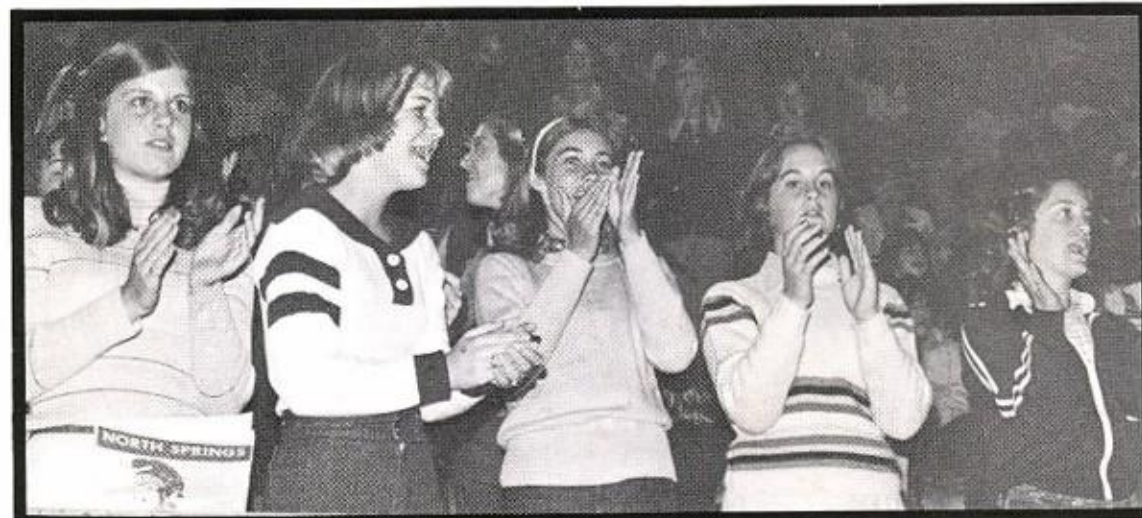

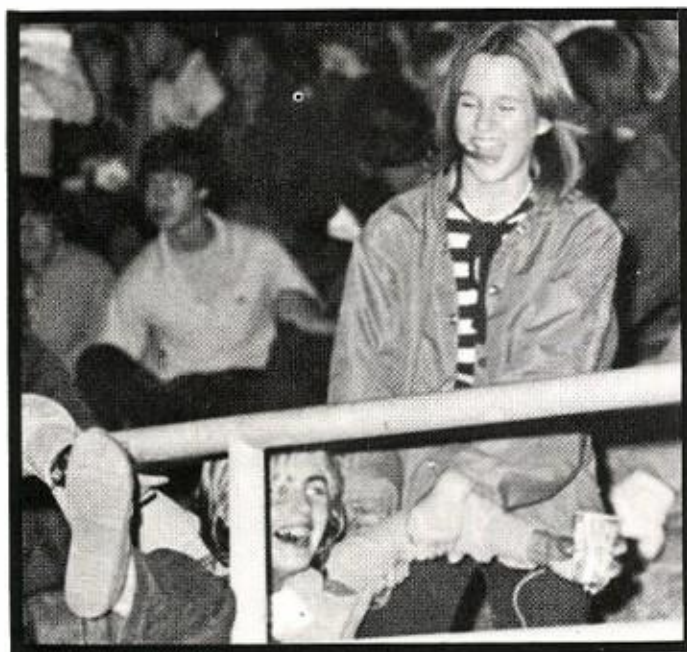

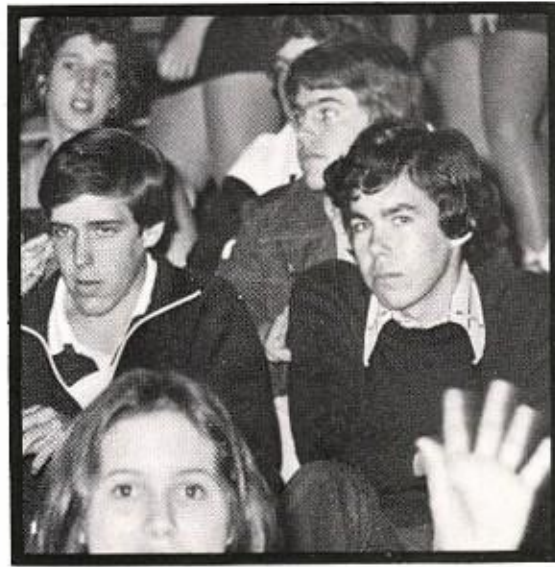

*The only way to
get anywhere is to
start where you are.*

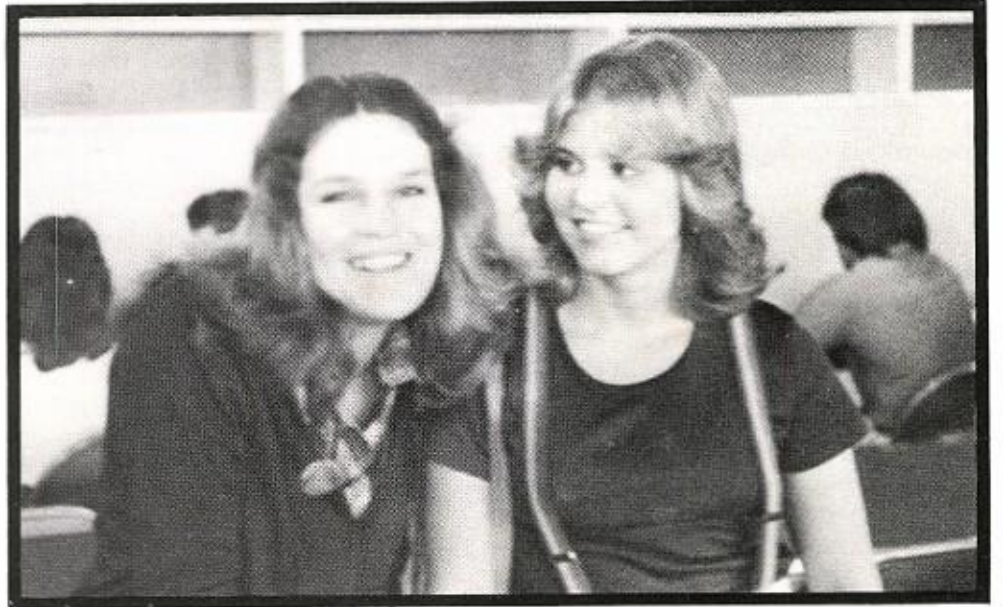

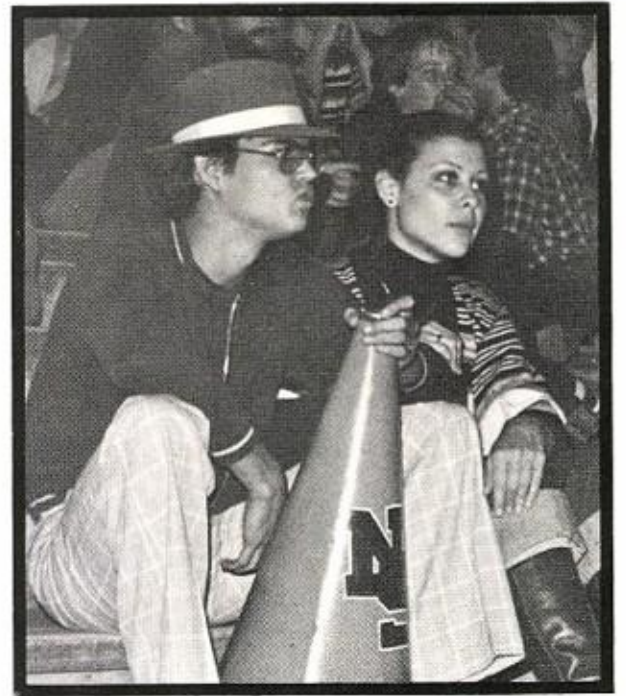

Are You
a
SPARTAN?

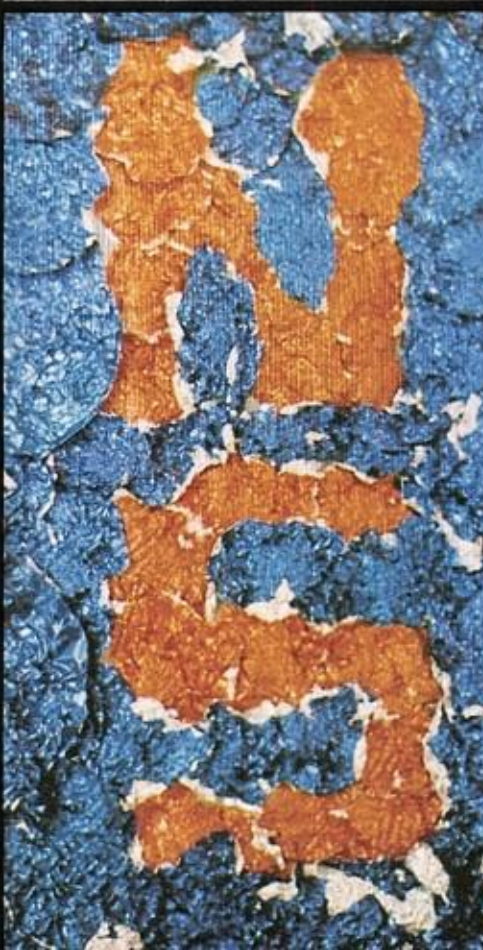

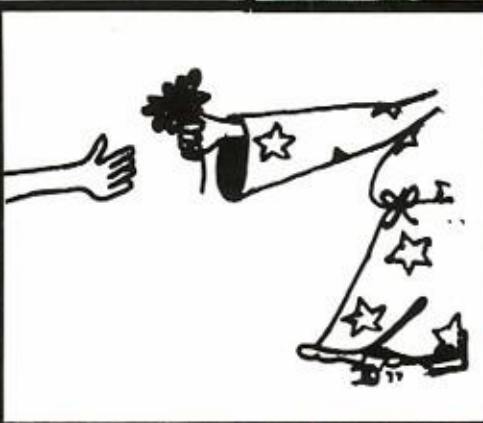

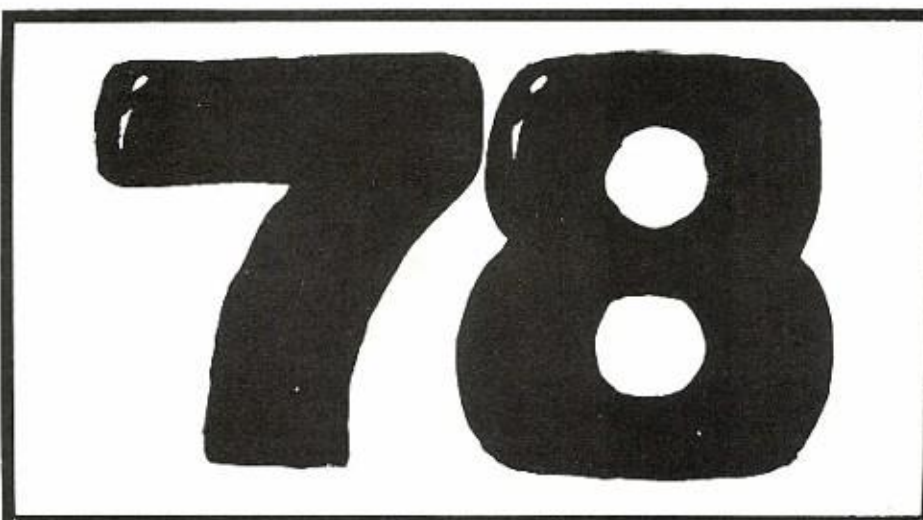

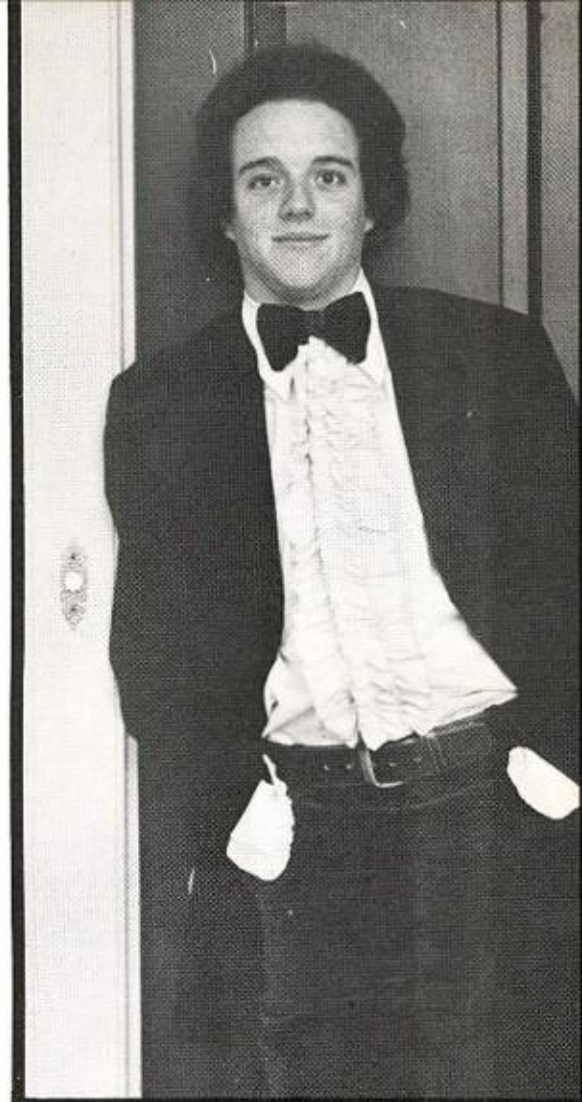

*The only way to
have a friend
is to be one.*

Focus on North Springs
 Experience the flow of thought
 Feel the heartbeat within the doors
 Another world inside the castle on the hill
 We are one; proud, bold, winners, losers
 In search of friendship, love, ourselves
 North Springs is not forever
 But the memories are:
 The first day ... ever
 The last ...
 The heartbreak ...
 The love ...
 Involved — dedication
 Orange and Blue
 "Are you a Spartan ... ?"
 Engraved in our minds
 Never to leave
 North Springs
 Just look and FOCUS!!!!!!!!!!!!!!

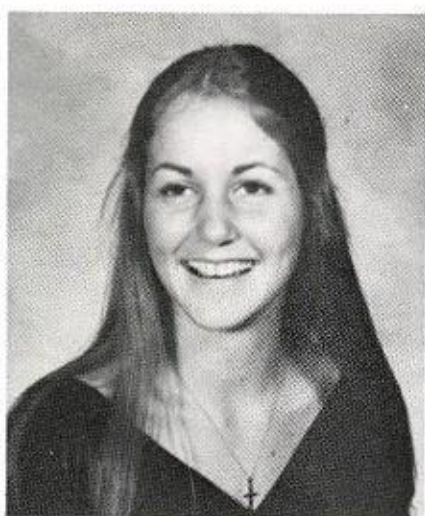

The Senior Class officers are: PRESIDENT: Alan Masarek, VICE-PRESIDENT: Jennifer Troy, SECRETARY: Jim Short, and TREASURER: Ellen Guise. Senior Officers 78 ... Soon to be GONE WITH THE WIND!!!

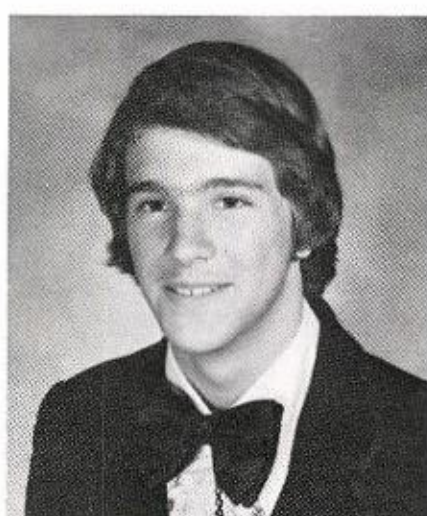

Derek,

Its been a good year at N.S. this year we had many classes together and we had many weird teachers. Have a good summer and don't get into too much trouble

WILLIE ANDRUSKO: Man's greatest right is the right to be wrong.

MARY ANNE TURNER: "Kind words . . . They soothe and quiet and comfort the hearer . . . We have not yet begun to use kind words in such abundance as they ought to be used."

Blaise Pascal

LAURA MURPHY: Make it thy business to know thyself, which is the most difficult lesson in the world.

Cervantes

RICKY HALL: "Time and tide waits for no man, he who hesitates is lost."

JILL HABERSETZER: "Be a craftsman in speech that thou mayest be strong — for the strength of one is the tongue, and speech is mightier than all fighting."
Maxims of Ptahhotep

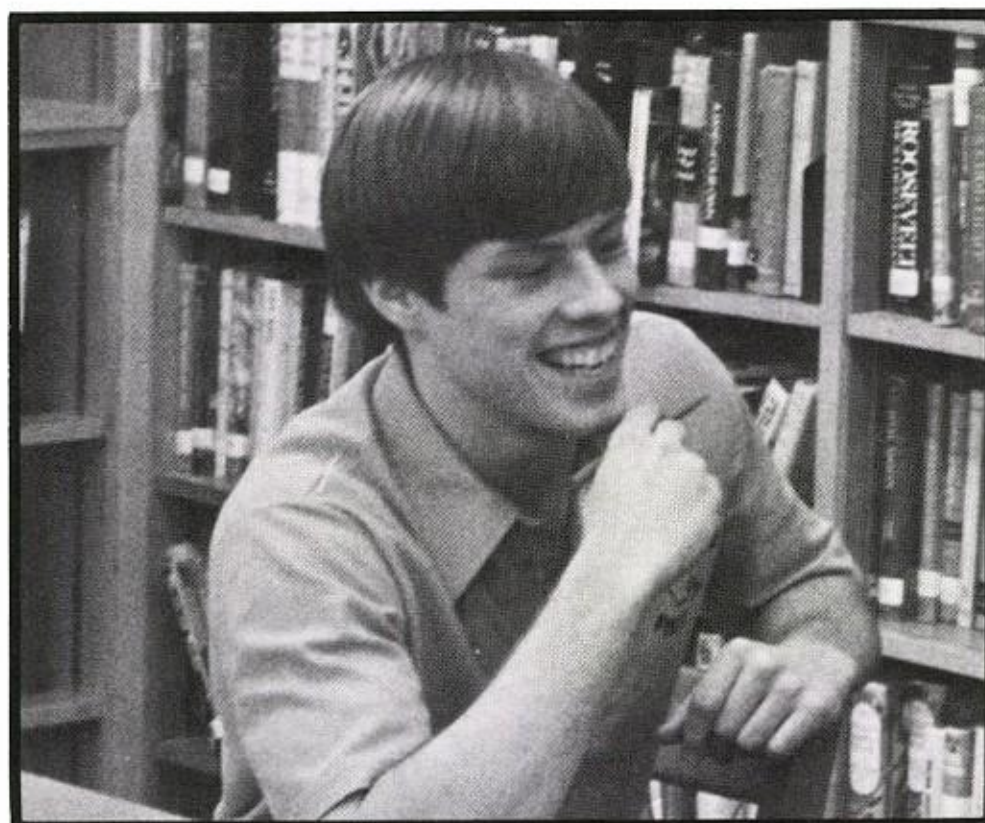

STEPHANIE GRUENERT: "And we know that all things work together for good to them that love God ..."

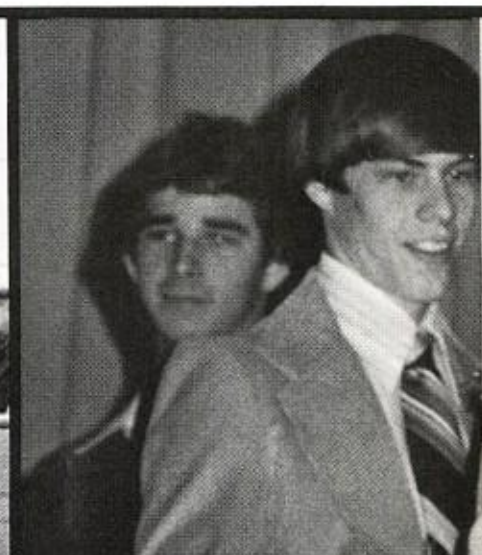

Romans 8:28

ALAN MASAREK: "On earth there is nothing great but man — in man there is nothing great but mind."

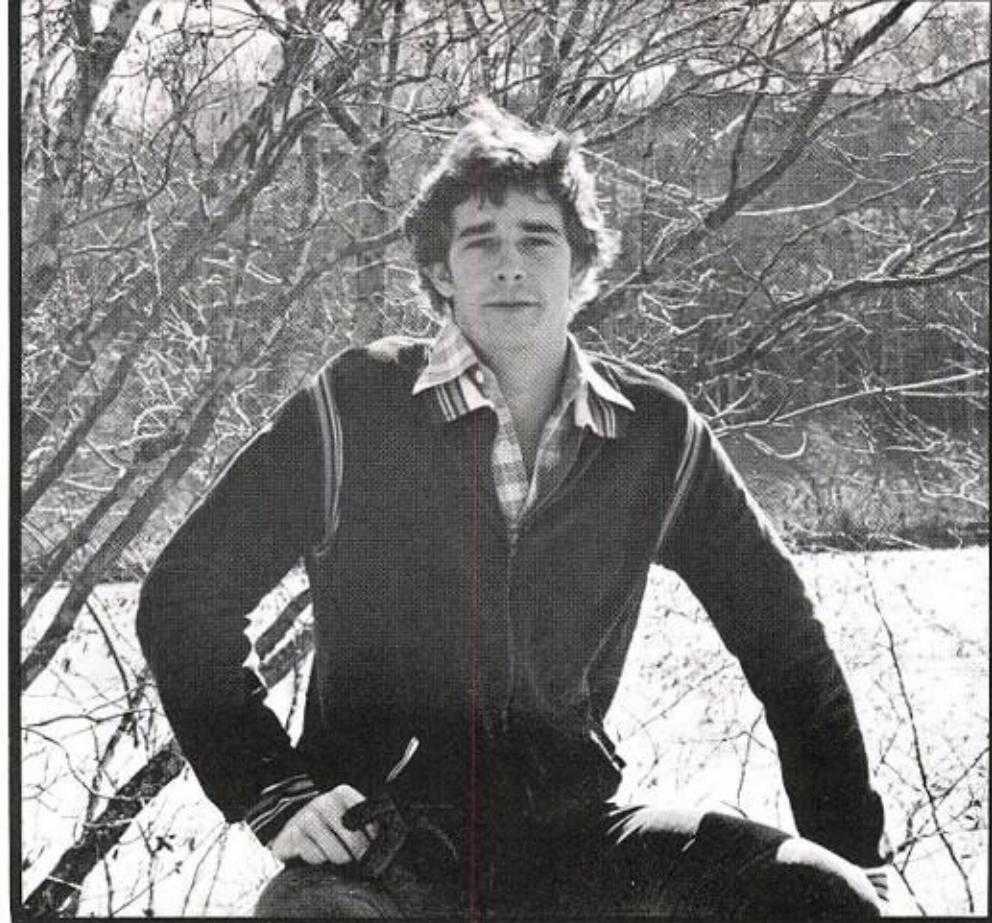

CLAY GILBERT: "Life is not worth living unless you enjoy what you are doing."

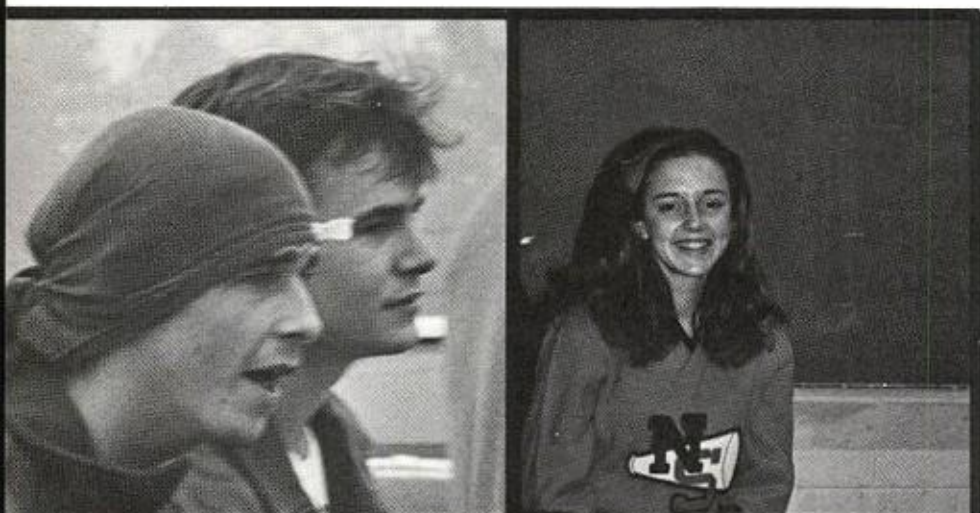

SUZANNE SMITH: "The only limit to our realization of tomorrow will be our doubts of today."
Franklin D. Roosevelt

CRAIG KIZER: Be not simply Good, But be good for something.

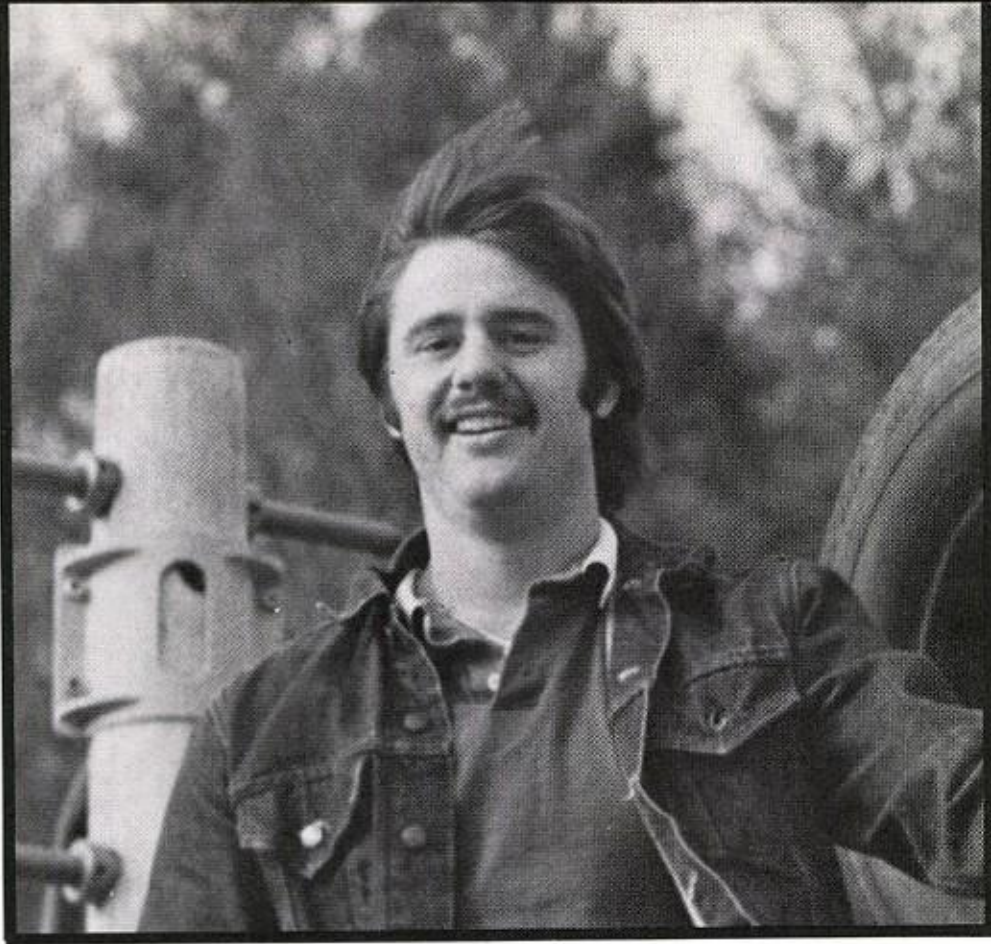

Thoreau

NANCY SELF: To every thing there is a season, and a time to every purpose under heaven.

Ecclesiastes

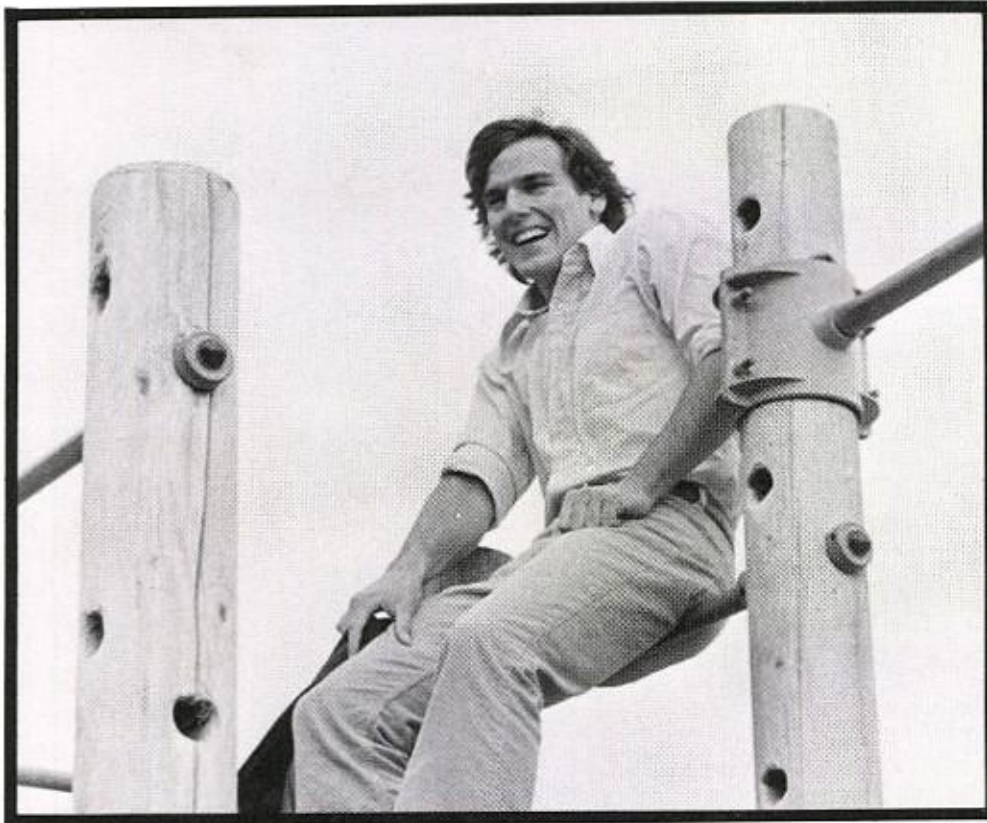

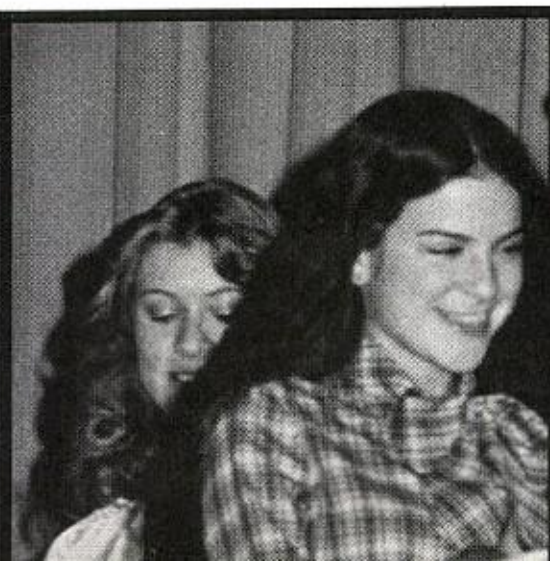

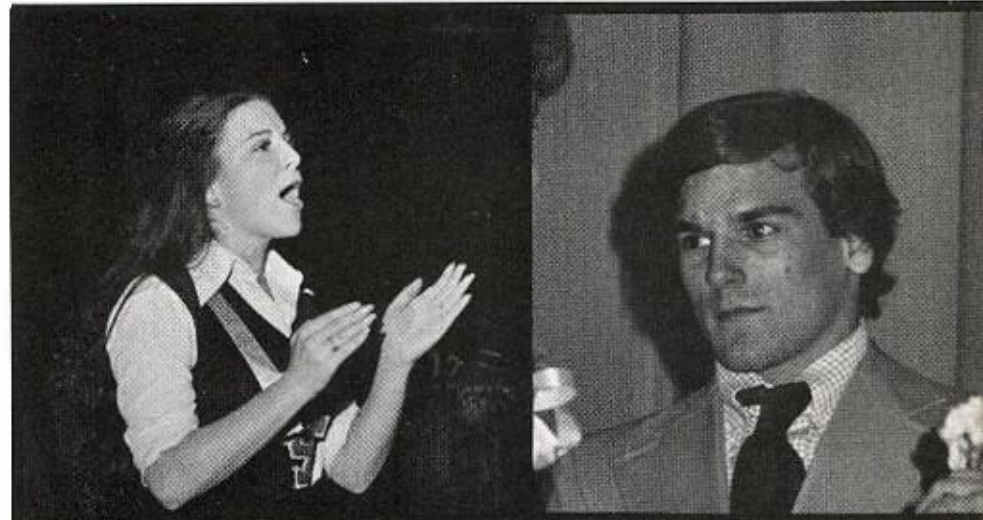

PAT WRISLEY: I hope that I have proven that you can make it at North Springs without being a "football jock" or a "freak." It's too bad people cannot be themselves without being classified.

TRICIA WARREN: God's gift to man is life; what he does with his life is man's gift to God.

CHIPPER COX: Problems worthy of attack prove their worth by hitting back.

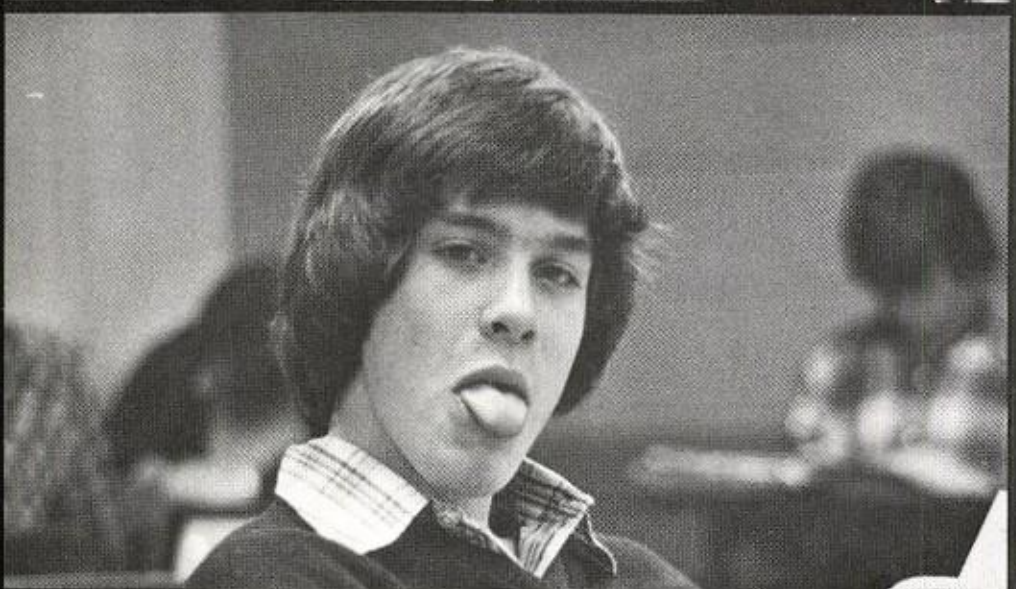

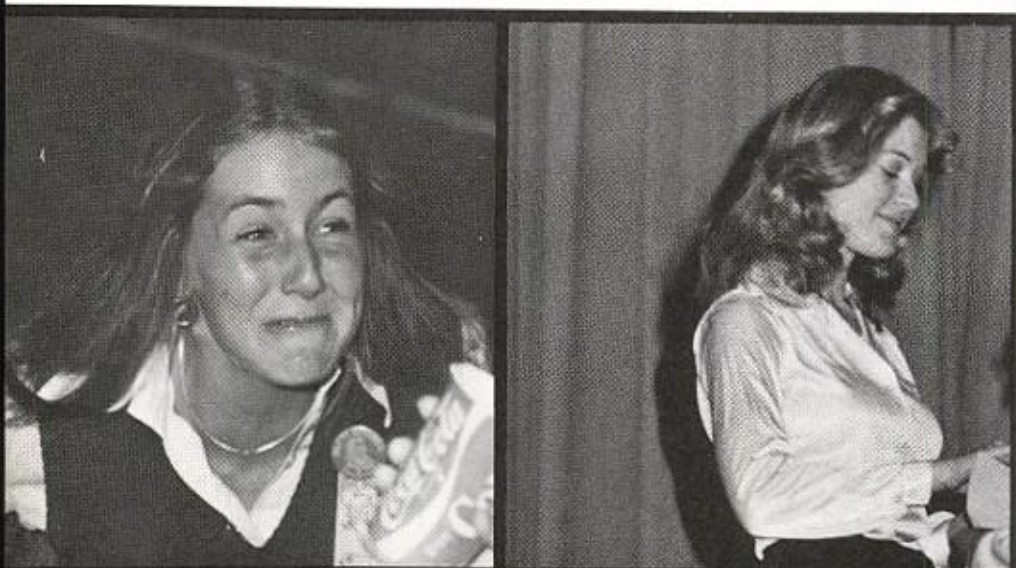

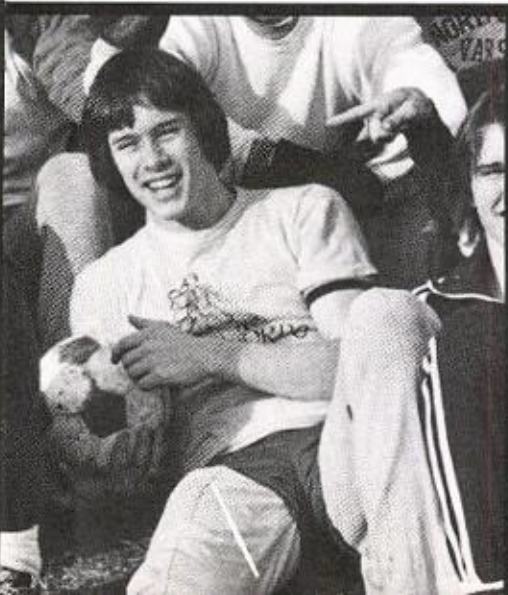

KIRBY ALEXANDER: "If life gives you lemons, make lemonade."

JIM MARTIN: May the world never become so dark, nor man so grim as to lose his sense of humor. It's the only thing that keeps us from crying to death.

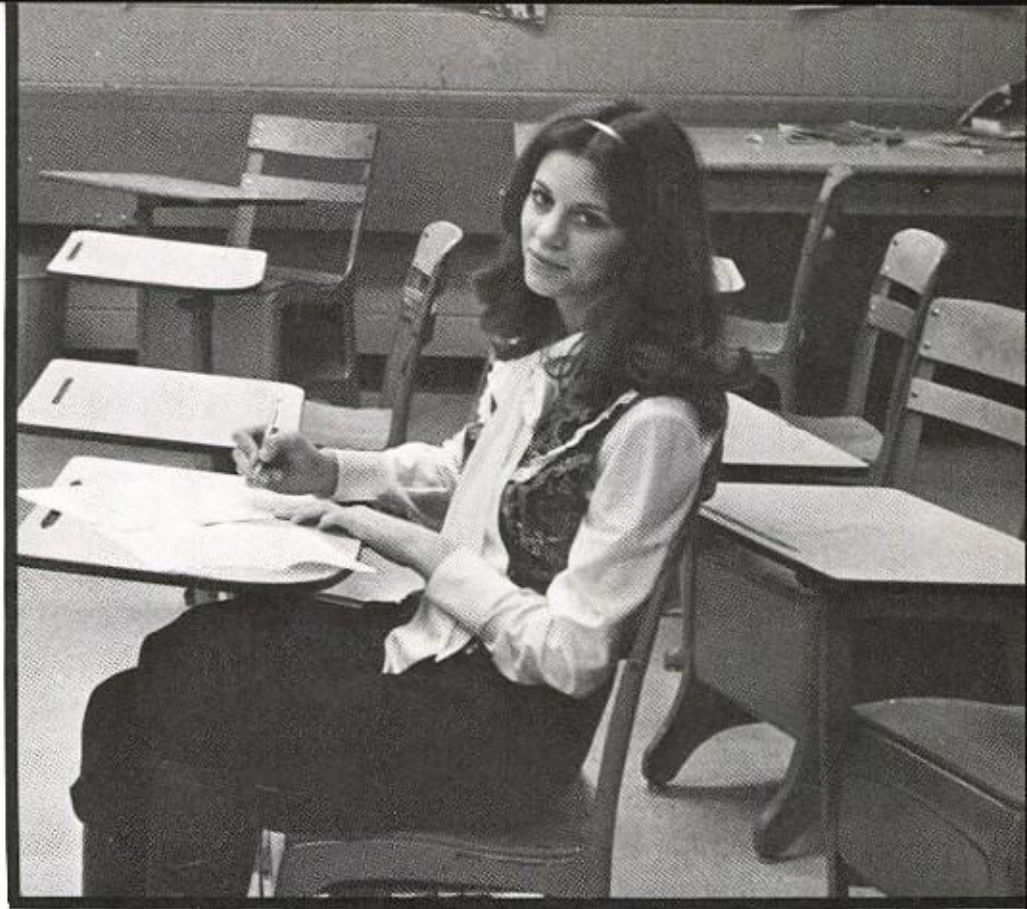

CARRIE BRIERE: I am only one, but I am one. I cannot do everything, but I can do something; and what I should do and can do, by the grace of God I will do.

JIM SHORT: Humility is the most difficult of all virtues to achieve; nothing dies harder than the desire to think well of oneself.

Eliot

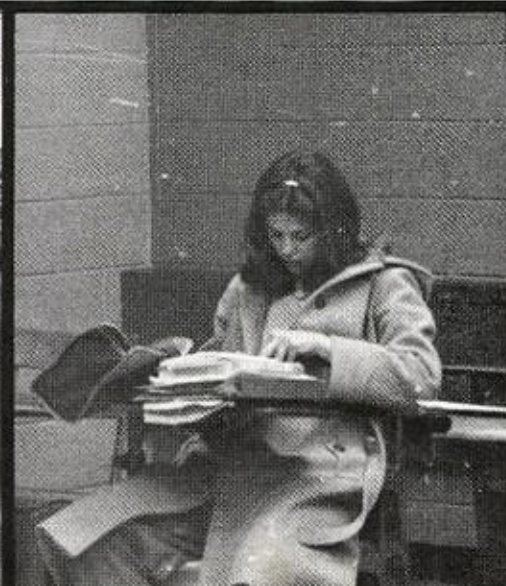

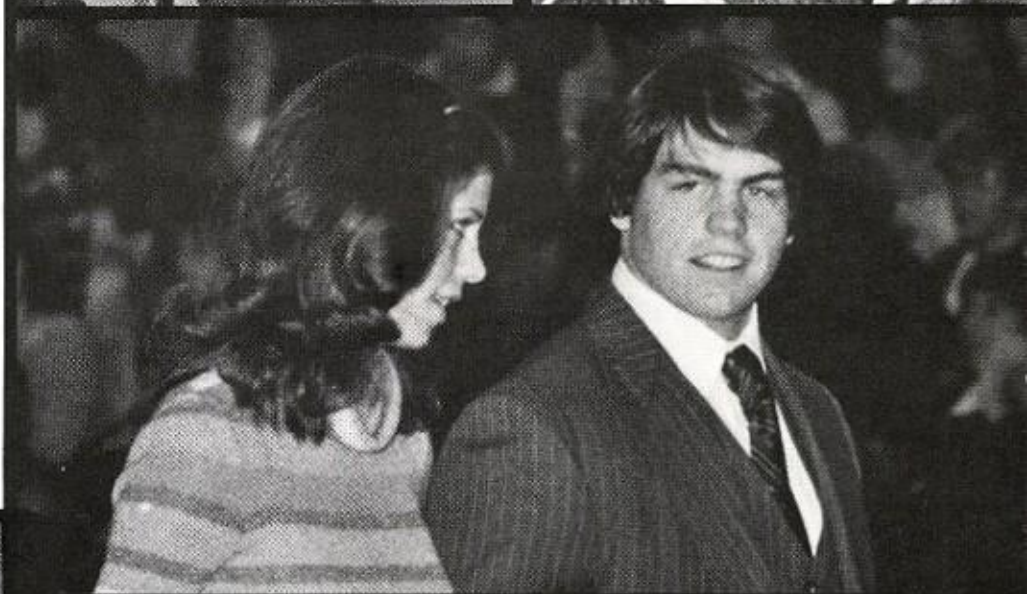

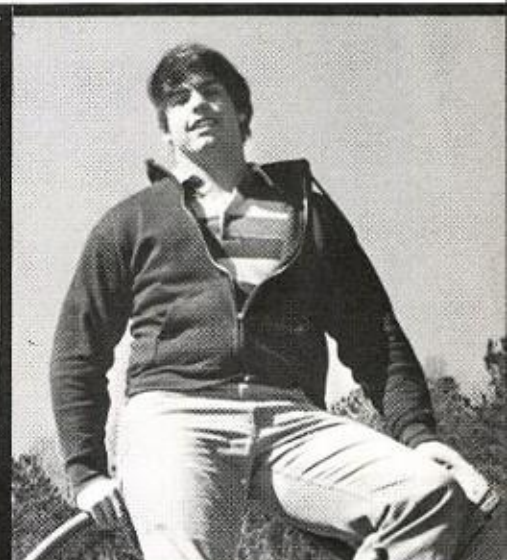

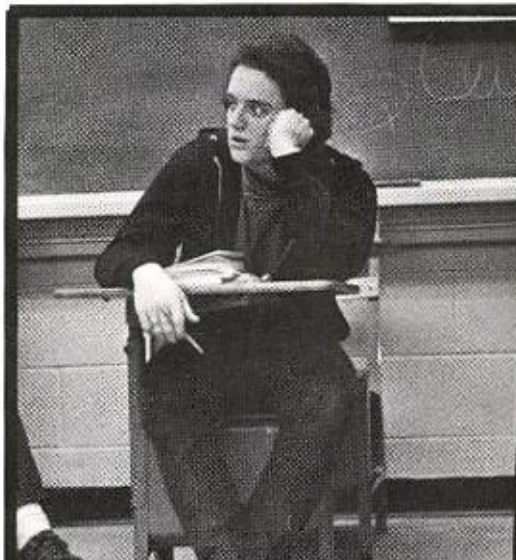

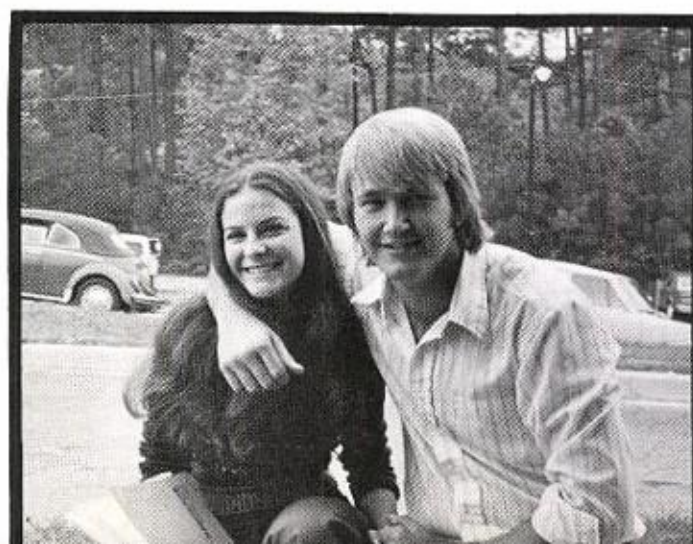

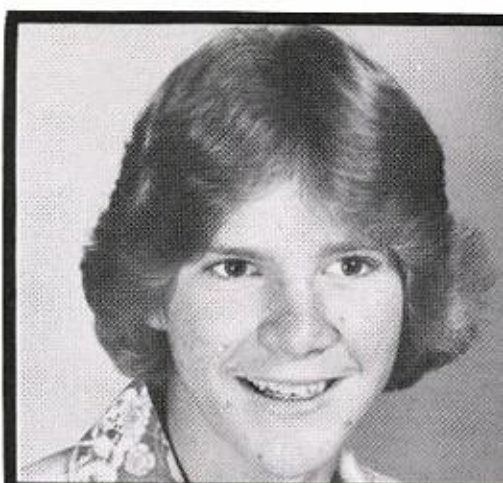

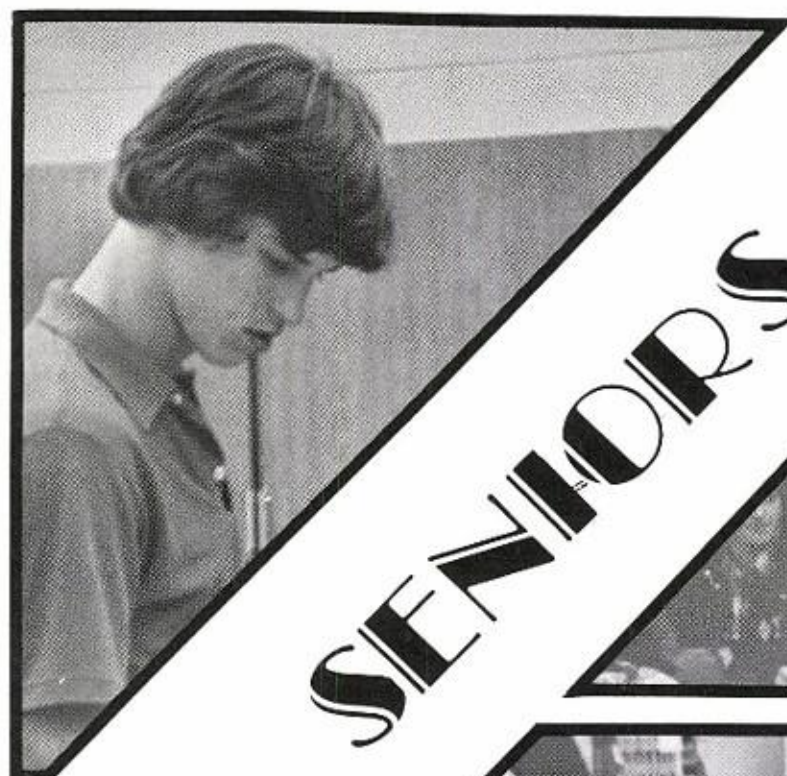

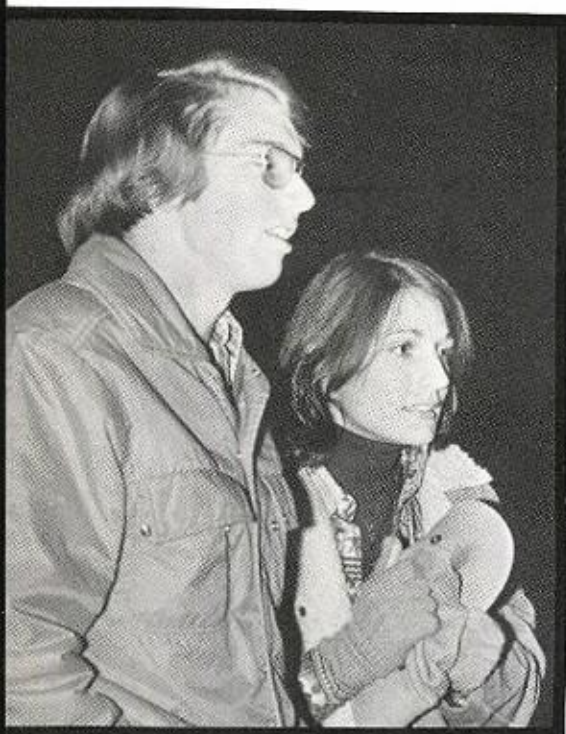

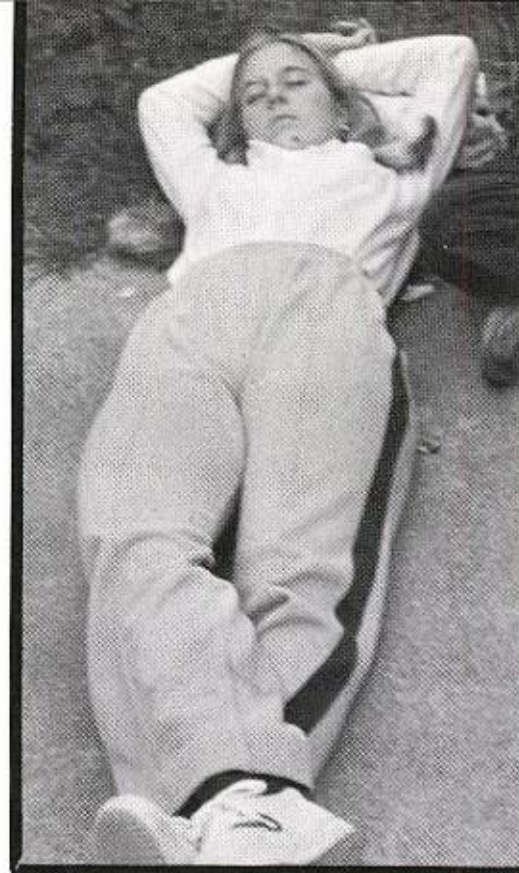

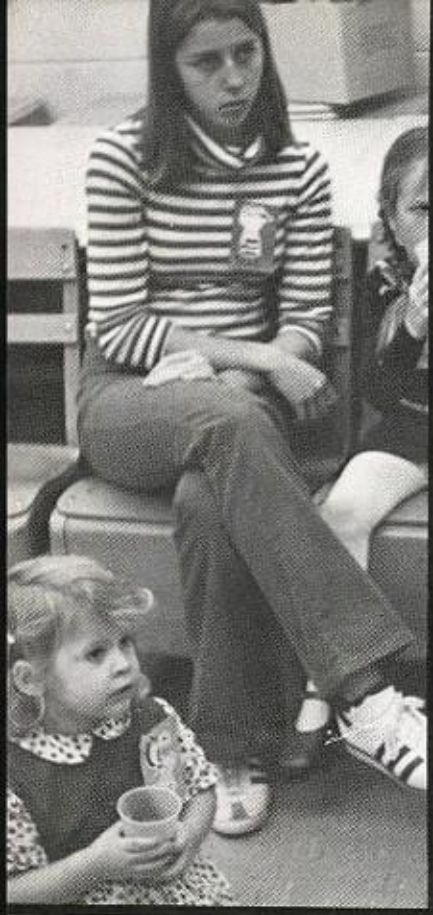

CATHY CARONIS: Errors, like straws, upon the surface flow; He who would search for pearls must dive below.

Dryden

CLAY BULLARD: Life is what a person makes out of it; it is never destined to be either bad or good, only to be there, and to be there is not always a possibility.

The ninth grade class of North Springs High School has been chosen to "Speak Out". Please give your opinion on the following statement.

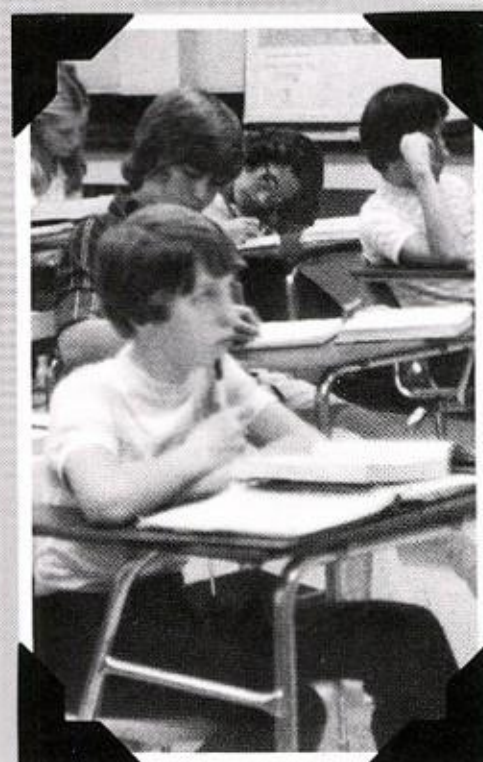

Ninth grade is . . .

The greatest . . . vibrant, happy, full of life . . . a repeat of eighth grade . . . a time when you are supposed to learn things . . . okay — easy . . . spirited and has alot of pride . . . before tenth grade and after eighth grade . . . a time to start having fun at North Springs . . . hard — I don't like the two hour exams . . . broke . . . the most outstanding . . . alot of fun and exciting to be in . . . better than eighth grade . . . confusing 'cause you don't know how to act . . . alright, but it needs improving . . . okay — we're not the lowest grade . . . harder than last year . . . most spirited . . . great because I'm in it . . . some kind of place. I finally feel equal . . . cool, far-out, superior, fantastic, terrific, extraordinary and has alot of class . . . interesting . . . great and has alot of potential for the upcoming years . . . a bumner . . . an inbetween grade . . . funner than eighth grade because we're not considered "eighth graders"

... Growing up at the big N.S. — the Freshman class.

"Some of us actually work here"

Refresh your memory, think back to your first eighth grade class meeting . . . "Now to specifics. How can we earn money?" . . . "What are we earning money for anyway?" . . . "I don't know!" . . . "Some suggestions are a bake sale, movie, dance, and carwash. Choose only one that we can do. Let's vote. Movie? . . . no hands; bake sale? . . . 1, 2, 3; dance? . . . 1, 2; Car wash? . . . 1, 2, 3, 4 . . . I guess it's a car wash, but where are we going to have it?" . . . "We'll figure it out at the next meeting!" "I guess we've only just begun!"

M E N . . .

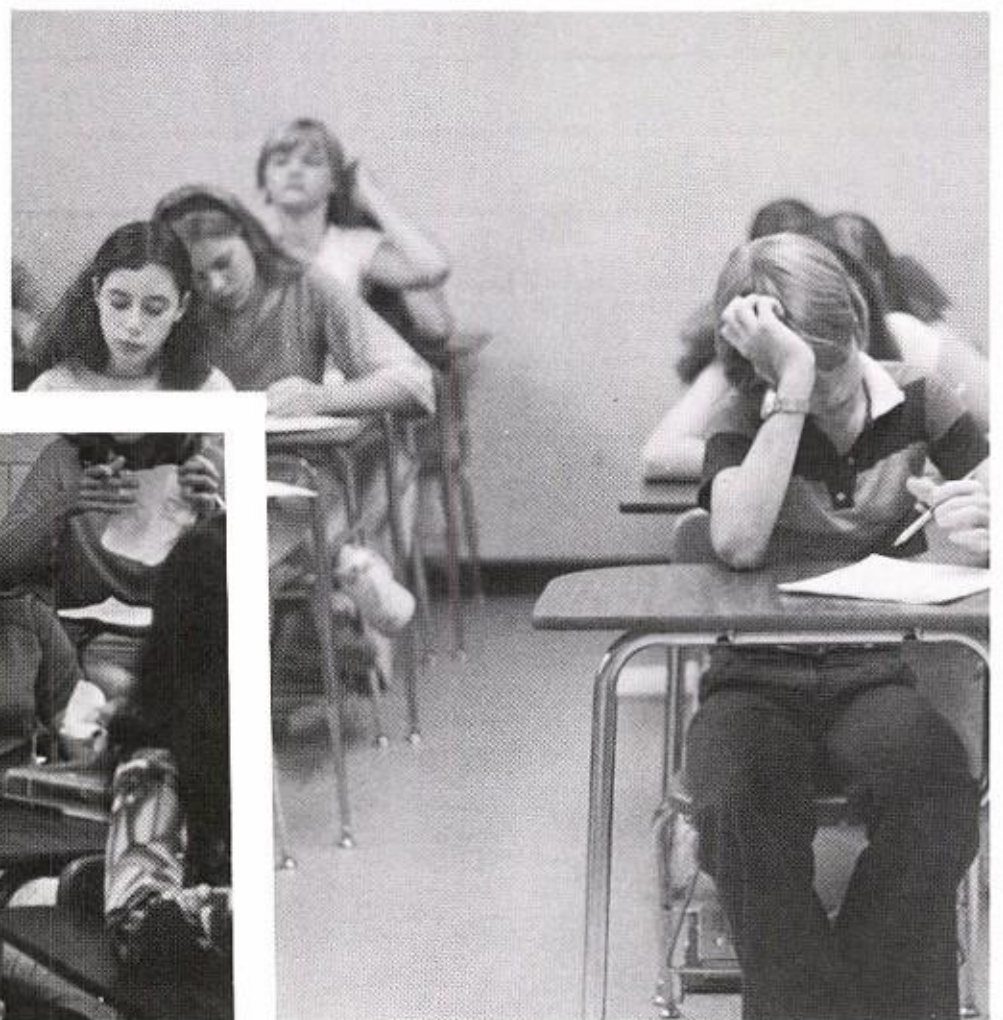

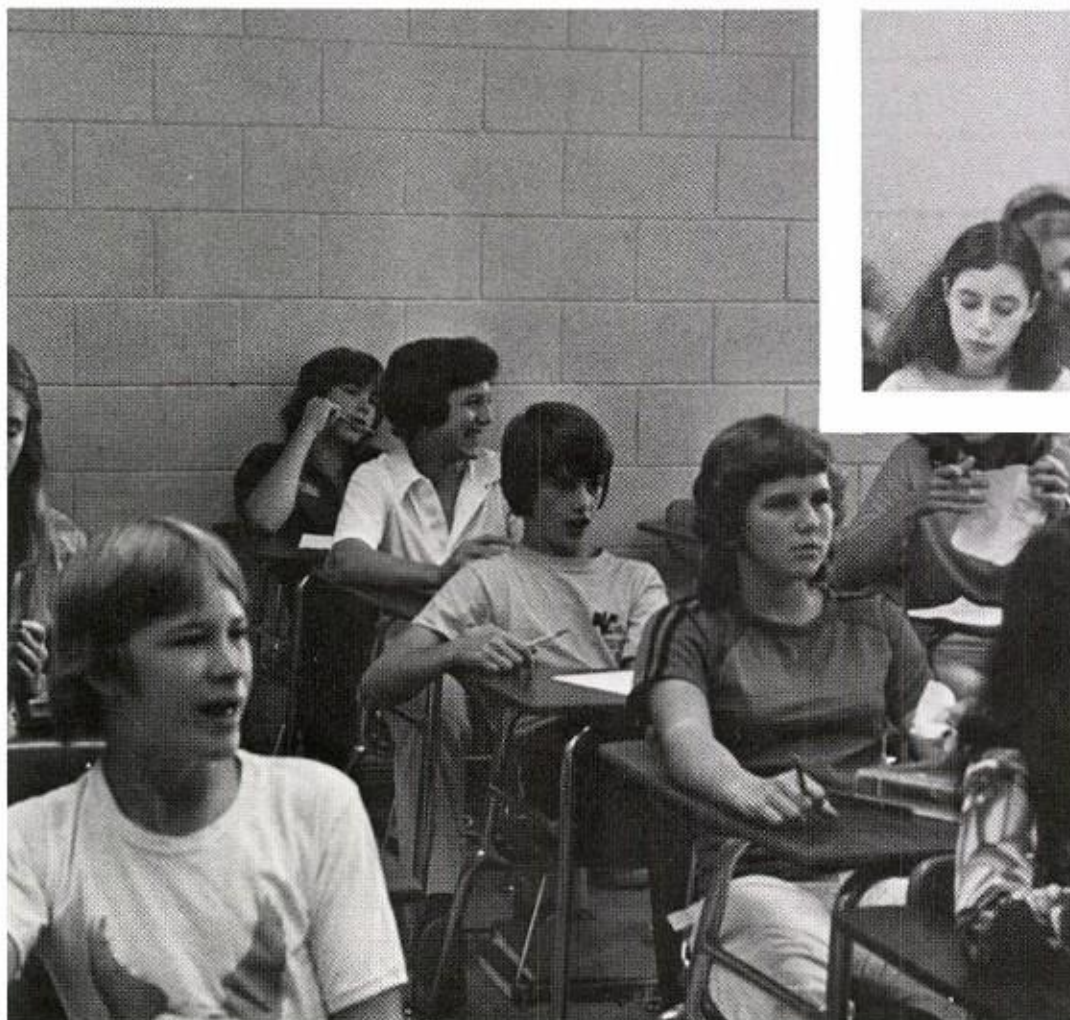

Eighth Grade . . . New life in a big school . . . "Wow, they even have elevators in this school, and I just bought three passes!" . . . "You mean we don't have to get our report cards signed any more?" . . . "Now, let's see, which hall is this?" . . . "What's the blue bench?" . . . "Some senior told me that the gym is on the top floor, but I certainly don't see it." . . . "Does anyone even know how to build a float?" . . . "Out of my way, I've got to run to the cafeteria!" . . . 8th graders, tomorrow's class of '82.

Not Coming Home to You

I'm gonna spend this Saturday night not sittin' home alone ...
I'm gonna spend tomorrow not calling you on the phone ...
There's hardly time for all the things I'm never gonna do ...
I'm gonna spend the rest of my life not comin' home to you.

My heart's no good at breaking ...
My eyes weren't meant to cry ...
And sorrow's one emotion, I'm never gonna try ...
You took my love for granted like a book upon a shelf ...
Now I'm gonna spend the rest of my life not coming home to you.

I'm keeping good and busy, not being straight or true ...
And I'll spend the rest of my life not comin' home to you.

Raceround

Vandels that look within the night,
Casting shadows that dissipate the light.
My direction won't navigate the flight,
As I turn around to estimate the sight.
Your religion won't over come your woe,
Strike back at them and see if you can go.
Is it with you, I really want to know,
Cause I need some, and then you'll see the show.
Happiness is just a lost virtue,
Have you heard their plotting now to hurt you?
Canceled truth it hides within the skys hue,
Loving moments that were made for you.
Come back quickly, turn round, find the meaning,
All our thoughts are better now when dreaming.
Last you better turn back that way,
As you see it's really no way, caution is your
Guide, come, let's have a ride, You might drown
Beneath the tide, of a new and different vising
Of the daylight. Don't you see? You're nothing
But starlight. Race back over and you'll feel
It's alright.

There's something I've forgotten
That I should remember
But it flew away
On the dusty streets
It flew away
And scribbled its story on the sky

I scribbled my story on the ground
Pretend it's the sea
Pretend it's the sky
I'M very good at pretending
You know
All the time I pretend
I'M somebody else
And scribble my story on paper
It's only what
I've forgotten
To remember
To pretend

Decayed and rotten all gone away,
An endless time and an endless day.
There will still be many years,
Accompanied by our loneliest fears.
The candles burn without a flicker,
Brightness less, the darkness thicker.
Hold my hand and we shall find;
The eternal land we left behind.
Growing thoughtlessly through our days,
Winding through our lifelong maze.
Forever gone — the days long past,
But tomorrow we will hold tight fast.
But together,
Yes together.

Weeping Willow

Darkened stage illuminated
Curtains rising ever slow
Dancers slowly take their places
Waiting for the light to grow.

Silver sphere of candlelight
Watching from the balcony seat
Immortal ballerinas please,
The heavens with their songs so sweet.

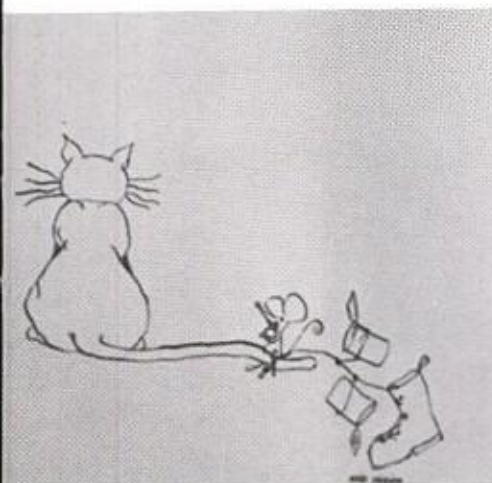

Whispered secrets never known
To those of us who earthbound are,
The breeze now rests, the music stops
Weeping willows turn to dance
For the North star.

presenting you're a good man ,

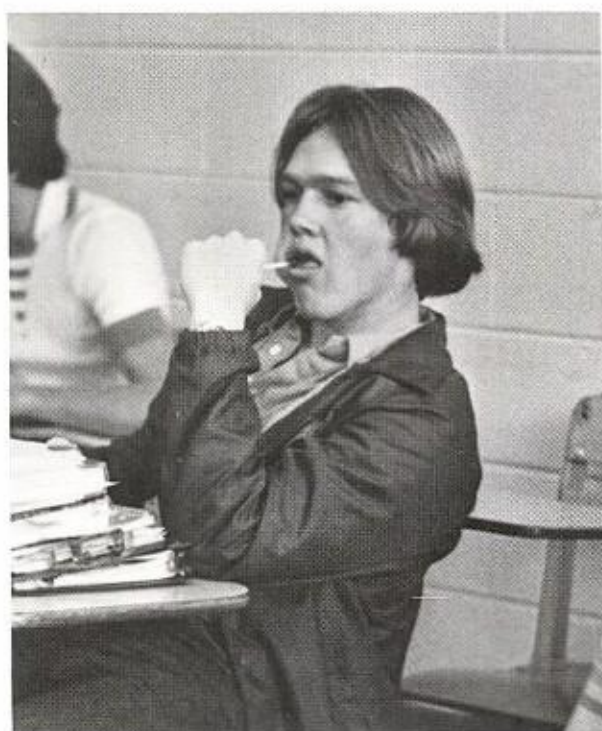

This year Mr. King decided to be different. Instead of the usual fall play, he produced from a group of seven students a fall musical. The cast varied in age groups. Out of the seven characters, two are eighth graders, which show that eighth graders are good for something. The actors consisted of Bill Takis (8) as Charlie Brown, Tim Chisholm (8) as Linus, Gregg Cohn (10) as Schroeder, Jill Habersetzer (12) as Lucy, Sherry Scott (9) as Patty, Jill Bullard (10) as the Red Headed Girl, and Lee Shiver (12) as Snoopy. Stage Crew: Colin Chisholm, Linda Cascio, Fred Guebert, Margaret Davis, Cyndi Geoltz, Eileen Howley, Laura Ellen Heyward, Dabney Yarbrough, Randy Kells, Mark Mayo, Kathy Chisholm, Jenny Taylor, Kim Gentry, Mary Anne Turner, Tom McDermott on drums, Mary Jo Upham on keyboard bass, Mrs. King on piano. Who knows, with such success, maybe we will have a fall musical next year.

There was something new and different this year in orchestra. During first quarter, Mr. Baker directed and prepared the orchestra for the N. Fulton Chorus Concert, Crestwood fall concert, and N.S. fall concert. The orchestra gave Mr. Baker a surprise going-away party at the end of the quarter. There was still another change during second quarter: Mrs. Anderson became the teacher. She had extra rehearsals to prepare for the GMEA Music Convention—a great musical honor. The class surprised Mrs. Anderson on her first day by telling her there was a Christmas concert in just 2 weeks. There are 4 members who are members of the Atlanta Symphony Youth Orchestra

The band this year participated in many activities. Practicing for weeks early in the morning, the halls chimed with "Sleigh Ride" and other joyous songs for the Christmas concert. The band participated in the Concert Festival, practicing diligently for the excellent rating that they want. The band also participated in the Spring concert with the orchestra and chorus. In the band there is an excellent jazz band who also compete for awards. Some members also play in the orchestra. With all these attributes, it is easy to see why there are so many accomplished musicians at N.S. DEBATE

The North Springs Debate Team continued a long tradition of winning in 1977-78. They won regionals, and, as Nancy Schlinkert says, they've been winning "forever." They also won the State A Championship in early January for the first time in three years. The Varsity consists of Kim Heerssen, David Katinsky, Barbara Maxwell, Nancy Schlinkert, Charles Smith, Bob Street, and Doug Wichman. North Springs is also building for the future. The new, young Novices did consistently well at tournaments. Susan Duhig, Lynn Englehart, and Jeff Lanier will be anchoring North Springs teams for years to come. The Debate Team was coached by Mr. New. For the record, he coaches about as well as he teaches (take that however you will!).

SPIRIT COUNCIL

The Goal Of the Spirit Council has been to promote spirit and bring recognition to all school activities. The 1977-1978 Spirit Council did successfully achieve this goal. Their activities consisted of such things as selling "on to state" handkerchiefs, buying carnations for the debate team, selling hot chocolate at Soccer games and a fun-filled, truly exciting Spirit Week. Ellen Guise-Molly McCarthy (co-presidents), Dianne Schussel, Barri Sherman, Debbie Nash, Jenny Thomas, Liz Mori, Mary Lynch, Beth Duhig, Janet Nash, Karen Greene, Catherine Greaber, Amy Hession, Tina Giffin, Lisa Chamberlain, Jamie Legum, Anne Kelley, Mary McWilliams, Laura Ellen Hayward, Jill Bullard, Dede O'Sullivan, Susan Pryor, Gloria Merino, Frances Speir, Julia Murphy.

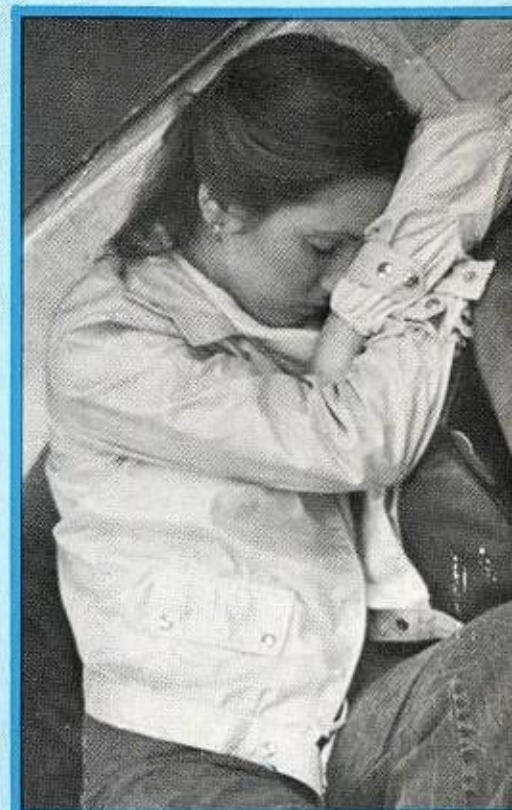

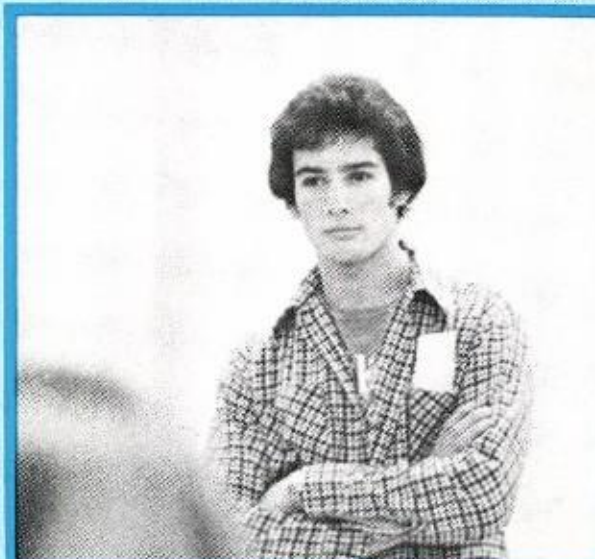

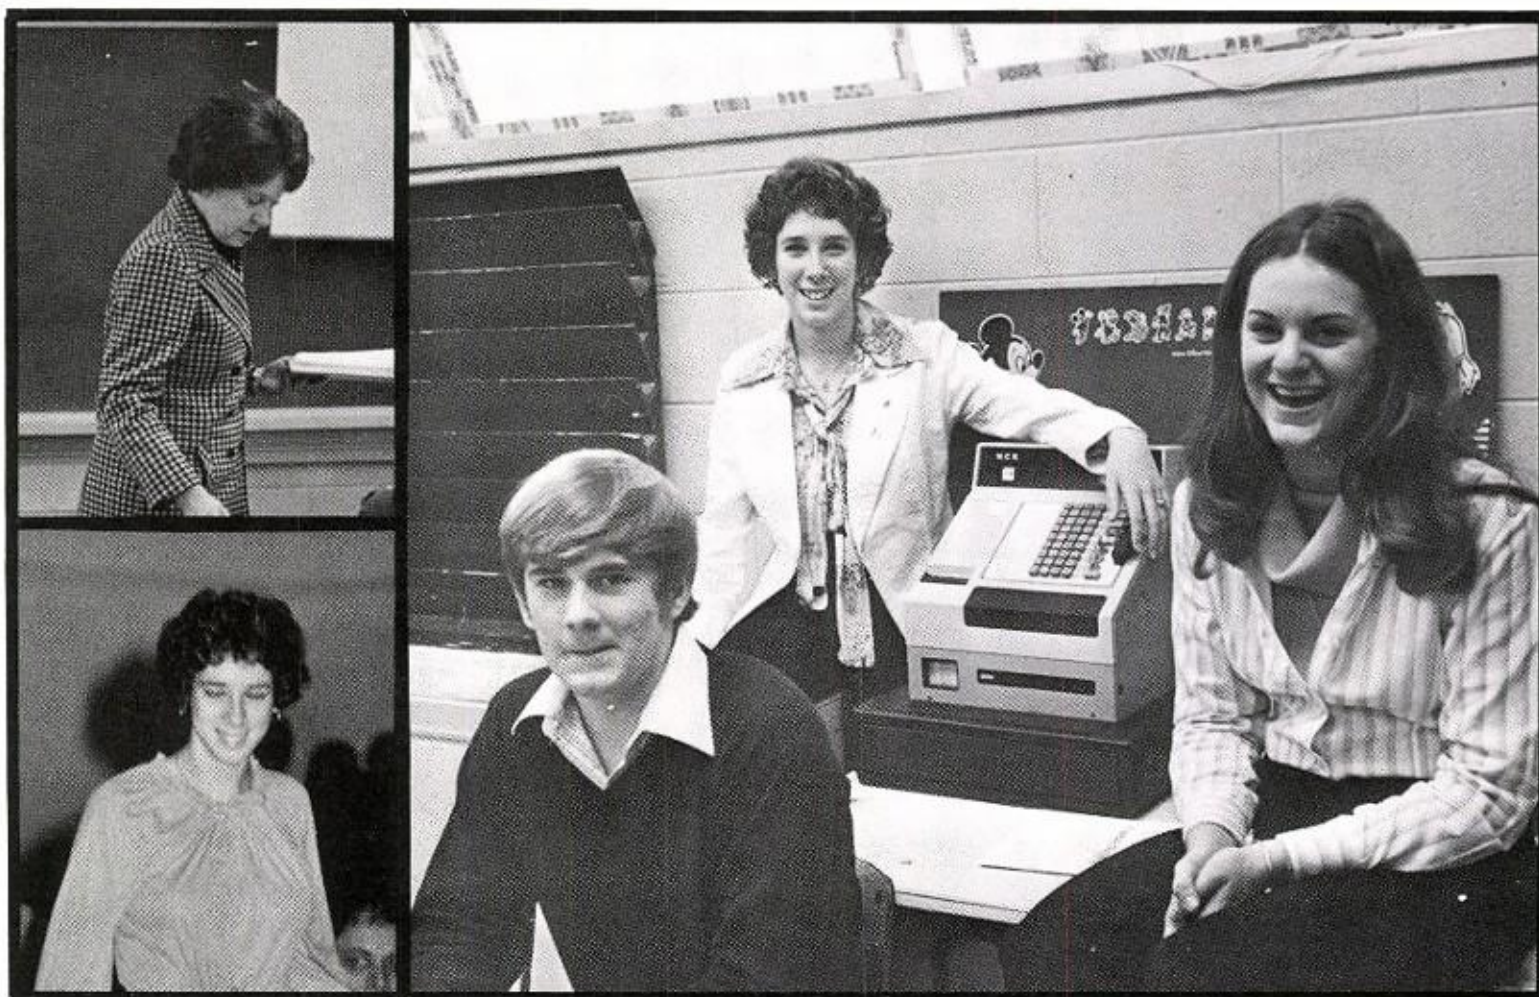

STUDENT COUNCIL

WOW! Look what they've done! This year's Student Council has proved to be outstanding. Some of their achievements consist of a brand new concession stand with a great variety of new snacks and treats, a senior lounge with two brand new sofas, chairs, and tables. The Senior Lounge is a first for the students here at North Springs and is quite appreciated. The Student Council also participated in such events as "Operation Facelift" and The Empty Stocking Fund. They have also allowed other clubs to use the concession stand to raise money. The Student Council has outdone themselves but could not have without the help of their sponsor and friend Ms. Richter. Mitchell Steiner, pres., Kirby Alexander, vice-pres., Laurie Eckard, sec., Kathy Brock, treas., David Herman, Chairman of the concession stand operation. Representatives: J. Habersetzer, D. FOOT 8TH BALL

In their first year of high school sports, the 1977-78 eighth grade football players faced new experiences and difficulties. The greatest problem which the new Spartans encountered was the adjustment from Pop Warner football to the big, exciting world of high school sports. Having made this adjustment, the eighth graders are looking forward to a great B-team season next year.

GYMNASTICS

B-Team — Holly Donaldson, Ann Howley, Donna Pinkney, Kitty Kochn (Capt.), Emilie Koers (Co-Capt.), Mary Starling, Melissa McSwain, Carrie Wright, Laura Jones. Coach — Mrs. Garrett.

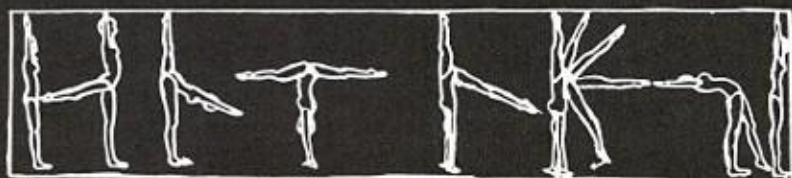

WHY DO YOU LIKE GYMNASTICS? It is the best way of expressing my personality. **DO YOU FEEL YOUR SOCIAL STATUS IMPROVES BY BEING ON THE GYMNASTIC TEAM?** No not really, but I guess people know me because I'm a gymnast. **DOES BEING IN SPORTS HINDER YOUR WEEKEND SOCIAL ACTIVITIES?** I don't do gymnastics over the weekend, but when I get really sore from weekday practice it makes the weekend kind of bad. **DO YOU FEEL YOU WOULD DO BETTER ACADEMICALLY IF YOU DIDN'T PARTICIPATE IN GYMNASTICS?** Anything that takes up time offsets your grades. **WHAT GOES THROUGH YOUR MIND WHEN YOU'RE IN MID-AIR AND ABOUT TO LAND ON YOUR HEAD?** Fear — I think what a jerk I'm making of myself. And where did my spotter go ... **HELP!!!** **WHAT ARE YOU THINKING ABOUT WHEN YOU'RE COMPETING?** Not killing myself!!! **WHAT'S THE MOST EMBARRASSING THING YOU'VE EVER DONE?** Getting a 0 on vault. **DO YOU FEEL THERE IS TOO MUCH EMPHASIS ON WINNING?** Yes everyone says STATE by my goal is to do my best and get a fair score. **ARE YOU AWARE OF THE CROWD AND THE NOISE DURING COMPETITION?** No, you concentrate on what you're doing.

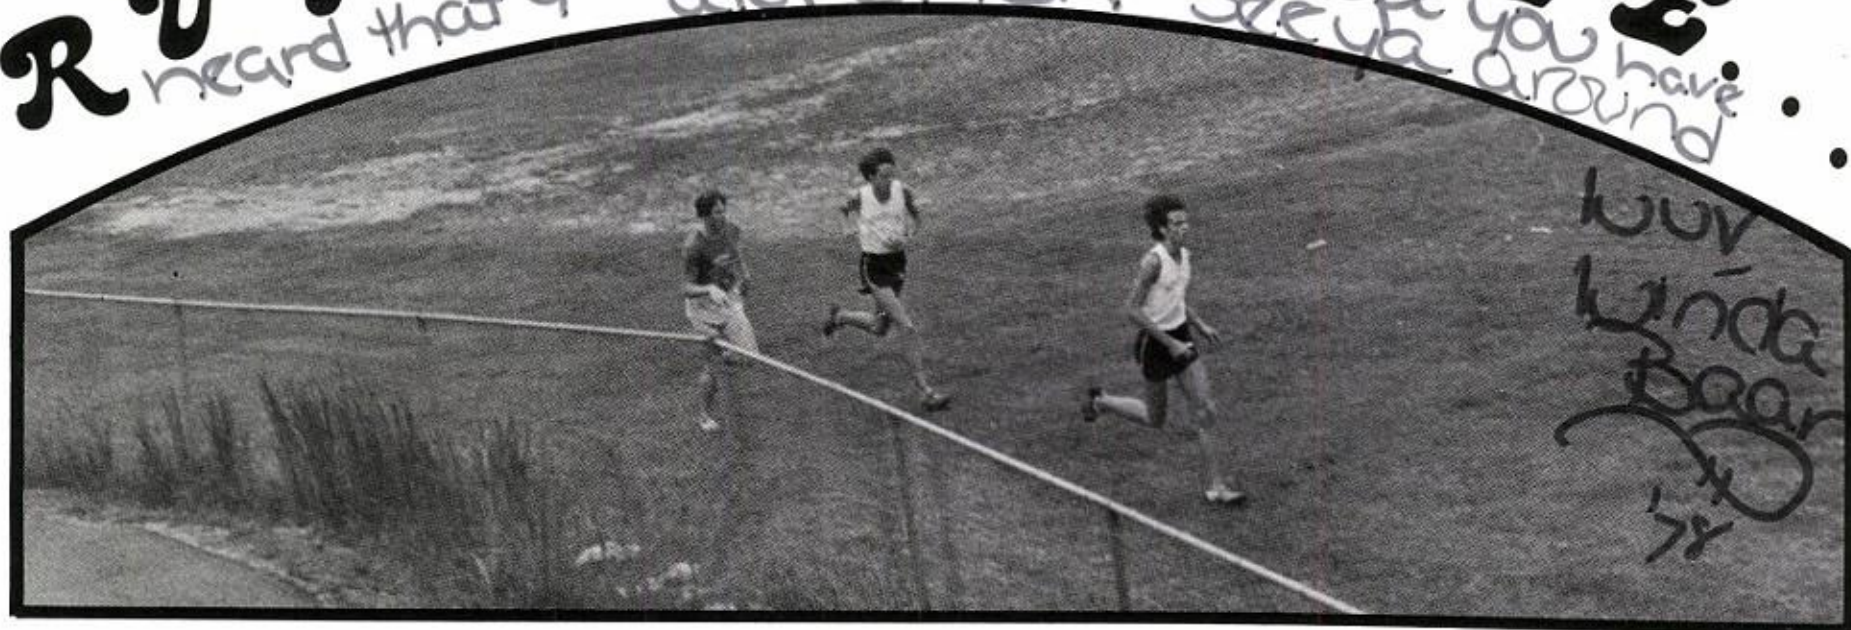

Gymnasts do crazy things ... like ... Beth Stephenson's crazy beam routines ... going to Cha-tooga on Sunday and driving 5 mph. on busy streets ... having chinese fire drills at busy intersections ... hanging out the window and singing the SPARTAN fight song ... stopping at McDonald's and acting like idiots ... doing stunts so bad at practice that we spend the rest of practice laughing until our stomachs hurt ... Caren's crazy ardvark laugh ... Laurie and her love life talks ... Chan is always hyper ... **WE HAVE A GOOD TIME!!!!!!** ... We're #1 ...

Varsity — Laurie Bailey (Capt.), Meg Bailey, Paula Barashick, Marian Chan, Sally Crawford, Marlene Conway, Tina Giffin, Beth Stephenson, Caren Taylor (Co-Capt.), Laura Whipple.

Mr. Dinkins

North Springs could not function if it were not for the administration. The counselors, Mrs. Cole and Mr. Dinkins, help seniors plan for college and business; students with scheduling; and they listen to our problems. Those who work in the front office also devote much of their time to the students, school problems, and everything else. Mrs. Harris has her hands full with the absent students. Mrs. Pelfrey contends with the treasury and organizing the front office. Miss Paradise has devoted much of her time to helping the students with their problems. Both Mr. Hansard and Miss Paradise come to many school functions to watch the students participate. Mr. Hansard can also be seen all over the campus helping students. Through all of the mess at North Springs, there are some people who try to organize the chaos.

What are your views on school and life?

"Thanks for the Memories"

To: The Graduating Seniors — Class of '78

Thank you all for the memories that we will have for many years to come, the joy of victory along with the sadness of defeat.

Thank you all for allowing us to be part of the many Friday nights at Thermopoli Stadium, the nights in the gymnasium, the baseball diamond, and all the other times that you brought honor to North Springs.

May we be as proud of you in the future as we have been in the past, and as you go on to play the game of life, may you know only the joy of victory in the years to come.

Thanks for the memories.

You're a very special

a lot going for you. You
are a special (I apologize for the

in my heart. Don't forget
we still have to do our
experimental projects with
plexiglass. Take care of
yourself this summer -
definitely keep in touch!

Love ya always -
Best wishes -

Short,
It's been really
nice knowing you
are a very nice person.
Someday we will have to get together
& either go to Spain (with all our Spanish
knowledge) or go camping (with all
our camping knowledge) Have
a fantastic summer but stay out of

Derek -
I'm really
glad I got to know
ya this year. Too bad
I won't be around much
longer or else we could party
some more. Since I've been at this
school, I haven't found many people I can
relate to but I think you are a super person
and I'm glad we have 2 classes together. Have a
terrific summer - best of luck always
Jamil

Hi Derek, I am so glad I
got to know you cause you are
a fantastic person! and a little
wacky! But if you weren't wacky
you wouldn't be the great person
you are. I'm sorry you're
moving. Love, Julie Moore

Derek,
Well Sport, It's
been one of those years
that everybody is dying
while waiting for it to
end. The end is here!
I won't be here next year,
but I'm glad we got to meet.
I can understand you not being
crazy about this school because
I'm not either, but that's life.
Well, sayin' bye + wishin'
you a good, fun-packed
summer filled with

Derek, it's
been well having
you in great having
English class. I bet
the first thing you do
on this summer is go
take a composite behind
right. I hope I see you
this summer. Stay cool
and have a good
summer. Love
Nancy

Derek,
It's great getting to
know you this year
but the good thing about
it is that it's easy to get
to know you. See you
next year.
New Yantis

Derek - (my life long running partner)
for two very upside down people, we sure
have had some fun, haven't we! Our days
washing cars & playing with vacuums clean
will soon be over, but I'll be sure to come
back & visit my two favorite jogging
partners - if I don't die of exhaustion
first. Keep my next-door neighbor out
of trouble (unless it's with me - ha ha!)
as much as possible, but remember
that a little trouble keeps the feet
going, and at this point, we could both
use a lot of trouble! #

I hope our days of running to the
columns won't be over for quite awhile
but it looks as if they'll only be a few
more weeks of broken backs. "Too bad!"

Maybe if I stay with Johnny-boy
the last week of school we can do some
serious partying - in style. I still
say he needs a bean bag to make
the waterbed complete. Remember
about the small but complete part
we'll have in the "Tahitian Room" but
first we've got to have a bean bag. So
work on that (while I work on John
ha ha!)

Well, maybe someday I'll write
a sequel to this novel, but not now.

Bye Bye -
(until 11:30 - knock knock)
Uby
